Woman Robbed By Two Women

Burglars, Car Looters Busy During Weekend; Tires, Wheels Stolen

A woman was robbed of \$120 by two women bandits in downtown Madison during mid-morning. The woman, who was wearing a blue and white striped dress, was walking toward the intersection of Madison and Washington streets when she was approached by two women. One woman, who was wearing a blue and white striped dress, was walking toward the intersection of Madison and Washington streets when she was approached by two women. One woman, who was wearing a blue and white striped dress, was walking toward the intersection of Madison and Washington streets when she was approached by two women.

Two women robbed Mrs. Nina Powell, 65, of 1120 Douglas street, Venice, at 10:45 a.m. Saturday in the 300 block of Madison avenue. The \$120 taken consisted of three \$20 bills and six \$10 bills.

The Negro woman being sought are a 19-year-old whose clothing included a blue scarf and black or brown knee-length boots and a 40-year-old woman wearing a gray coat and flourished a pocket knife.

Mrs. Powell was at the alley by Norberg's store when she was approached by the two women. They took her wallet from her coat pocket, removed the money, threw down the wallet and left toward Third street.

Tavern Burglary
About 60 bottles of whiskey and four cases of beer valued at about \$240 were stolen in a burglary of the drive-in liquor building at Keith's liquor store, Washington avenue, it was reported at 12:45 a.m. Saturday.

The rear door was forced open. Burglars stole a portable television set and about \$80 from a dresser at the apartment of David Zeff, 2912 Oregon avenue, it was reported at 3:30 p.m. Friday. The door facing the apartment was pried open and the lock was broken.

A .22-caliber automatic pistol was stolen from the home of C. R. Baltzell, 2432 Dewey avenue, he reported at 3:30 a.m. Saturday.

Eight dollars in coins was stolen in a burglary at the home of Robert Baker, 2418 East 24th street, he reported Thursday. Entry was gained by breaking the front porch window and the front door glass.

Namekoi School Burglary
Burglars broke into Namekoi school from the roof through an insecure gym window, it was reported at 11:45 a.m. Sunday. Several teachers desks were entered. It was unknown if anything was missing.

A 15-inch-screen portable television set with a brown plastic case was stolen from the trunk of the auto of Chester Burley, 10303 Market street, Venice, he notified police at 6 a.m. Saturday. Also missing from the car was a blue and white dress.

Two hubcaps were taken Friday evening at the General

City to Deliver Sewer Bonds to GC Bank Today

Delivery of the \$150,000 revenue bond issue by the city to the purchaser, the First Granite City National Bank, is scheduled for 2 p.m. today, and it is hoped construction on the sanitary sewer project can be started tomorrow, it was announced this morning.

Alderman Edmund Bartosiak, chairman of the Special Sewer Committee of the city council, said today that he plans to confer with the contractor, General Contracting Co., to determine if the work can be started in the North Granite area, rather than in several locations in the West Granite area.

"I haven't been able to get in touch with the contractor today, but I am hopeful he can follow the council's wishes and start the project in North Granite," Bartosiak said. It had been explained that one sanitary sewer line is to go under Federal Aid Route 151 through West Granite where paving is to be started in 30 days.

Other sanitary sewer lines are to be installed in the Namekoi area along Mercer drive and West Ponton road.

Award FA Rt. 151 Paving Contract
A contract for paving FA Route 151 (the Great River Road) from north of Ponton road to Niedringhaus avenue in Granite City has been awarded by the Illinois State Highway Department to the Sanagamo Construction Co. of Springfield.

The contract award was made on a low bid of \$2,605,895 which was among bids opened by the highway department Friday.

Other bids were received from the Keeley Bros. Construction Co. of East St. Louis, \$2,876,437, and from Hoffen Bros. of Belleville and MacIair Asphalt Co. of Collinsville, \$2,896,749.

Grading work on the 3.79-mile stretch is practically completed, according to Robert Krast, district engineer of the French Village highway office. The paving work is expected to get under way within the next 90 days, highway officials said.

9 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY
A streak of nine days without a traffic fatality in the Quad-City area was broken today when a car crashed into a tree on the west side of the intersection of Madison and Washington streets, Venice, at 10:45 a.m. Saturday.

The car, a 1967 Ford Mustang, was driven by a 21-year-old woman, who was reported to be in good condition. The car was damaged and the driver was taken to the hospital.

Primary Filing Rush Due Today

Deadline to Submit Petitions is 5 p.m.; Few Republicans Filed

A last minute filing rush, primarily by Republican candidates seeking nomination for county offices in the June 11 primary election, is expected by the clerk of Madison County Clerk, Eulalia Hotz this afternoon.

Deadline for filing petitions of candidacy for primary balloting is 5 p.m. today. Candidates then will have until 5 p.m. next Monday, March 18, to withdraw.

Until shortly before noon today, only two Republican candidates had filed petitions with the county clerk—David E. John of Granite City, as a candidate for circuit court clerk, and Robert G. Thomas, also of Granite City, as candidate for coroner.

A full ticket of county Republican candidates, backed by the Madison County Republican Central Committee, has been circulating petitions. The candidates are expected to file the petitions early this afternoon.

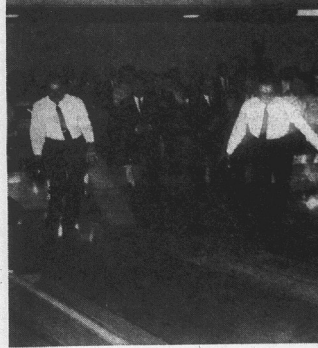

Offices open to nomination in the primary election also include state's attorney, county recorder and county auditor.

File for Levee Board
Quad-City voters also will ballot on the nomination of two Madison county members of the five-man board of the East Side Levee and Sanitary district. One of the incumbents, William "Mike" Ebersold of Venice and Joseph Grant of Granite City, both Democrats, had filed their petitions this morning, although reports of opposition for the incumbents' posts have been current for the past two weeks.

Two contests in the Democratic primary have developed thus far with the filing of petitions by two candidates for state's attorney and three candidates seeking the one Democratic nomination as coroner.

Leon Scroggins, incumbent state's attorney who is serving an appointment, filed his nomination for the post. He

Detention Home Groundbreaking To be Tomorrow

Ground-breaking ceremonies for construction of the Madison county juvenile detention home will be held at 10 a.m. Tuesday on the site at the county tuberculosis sanitarium grounds near Edwardsville.

It will be the culmination of 12 years of effort on the part of William Webb, assistant Granite City township supervisor and chairman of the detention home committee.

Madison county board of supervisors, and others.

Those attending will be members of the detention home committee, circuit judges James Reideberger, chief probation officer, and others.

L. Korinek & Son of Collinsville, the contractor, will have 300 calendar days to complete the \$450,000 project. The home will accommodate up to 40 youngsters.

\$2 Millions are Involved in Area Apartment Trade
One of the largest apartment transactions known to Madison county realtors is in progress. It will involve an overall consideration of \$2 million, it was announced today by John Sobol of John Sobol Realty.

The transaction involves the sale by Sobol of the recently completed Court Apartments and lands in Wood River to James C. Green Construction Co. and Associates. The project consists of 14 new brick four- and six-family apartment buildings and adjacent sites with an approximate value of \$900,000.

In turn, Sobol is taking in trade 12 buildings in Fairway Estates at Arlington Heights, plus four buildings in Fairway Walk in Ponton Beach, and other properties, involving a total of \$2 million.

Sobol said the move was initiated to permit John Sobol Realty to concentrate all of its activities for the present in the area of Granite City area. Green said that while his firm's operations are extensive in Granite City and Namekoi, it plans to extend into the Wood River-Bethalto-Alton area as well.

Sobol has purchased property along Ponton road across from the Gaslight Walk Shopping Center near Highway 111, where new offices will be built in the near future. He said real estate brokers in each area will permit buyers and sellers to call by phone and be served within 15 minutes.

The James Green Construction Co. has just completed new offices at 3389 Lake Drive in Ponton Beach at Gaslight Walk. Sobol said his downtown office at 1206 Niedringhaus avenue will be retained and staffed to serve Granite City, Madison and Venice areas.

Late Tax Collection Certain This Year

Review Board Ends Assessment Revision; Await State Multiplier

Late tax collections in the Quad-City and Madison county this year virtually were assured today after the Madison county Board of Review announced that the 1967 assessment books which contain assessment increases totaling \$7,313,465 in the Quad-City area.

The assessment books were completed more than two months behind schedule. The books customarily are completed by Dec. 31.

The delay, caused by the necessity of upgrading property valuations in under-valued townships in an effort to avert a new state assessment multiplier of 1.0309, already has set the county clerk's office six weeks behind in beginning the 1967 extension work.

The new total property valuation for Granite City township was set by the review board at \$1,546,285, an increase of \$5,633,465 over the total valuation of \$161,342,640 set by Township Assessor James Bartton.

The board raised the valuation of Namekoi township to \$2,691,100, an increase of \$1,546,285 over the assessor's local assessment of \$1,144,800, while the Chouteau township valuation was fixed at \$15,691,485, up \$133,320 over the local assessment of \$15,558,165.

The Venice township assessment was reduced \$67,130, from \$62,940 to \$62,873, as locally assessed board of review figures of \$62,499,910.

Completion of the extra time required this year by the Board of Review, Miss Eulalia Hotz, Madison county clerk, announced she plans to hire extra help and work her tax extension crews on holidays and weekends in an effort to cut down the time required to complete the tax books.

Under normal procedure, Miss Hotz's office begins tax extension work in late January or early February, usually completing the tax books in April so that tax collections can get under way in May. On this basis, distribution of tax money is made to most tax agencies by midsummer, at least in part. A late tax collection campaign usually confronts most tax agencies with financial problems.

Miss Hotz noted that although the assessment books have been completed, she cannot begin tax work until the state department of revenue certifies the multiplier which must be applied against all assessment items.

Increased \$15 Millions
The review board, which has been working under time extensions allowed by the state department of revenue, announced a final county assessment figure of \$910,729,085, an increase of more than \$15 millions over the local assessors' total of \$895 millions.

While review board members

Kerner Nominated For Court Post

President Johnson on Friday announced plans to nominate Illinois Governor Otto Kerner today to a judicial vacancy in the U. S. Circuit Court of Appeals Seventh Circuit (Illinois, Indiana and Wisconsin, with headquarters in Chicago).

Upon U. S. Senate confirmation for the \$33,000-a-year post, he is expected to resign as governor, enabling Lt. Gov. Samuel Shapiro to advance to the office. Shapiro is to be the Democratic nominee for governor in the November balloting.

Gov. Kerner, 59, a former U. S. attorney, was a judge in Cook county before being elected governor in 1966. He announced he would not seek a third term in order to spend more time with his family.

His father, the late Otto Kerner Sr., was appointed a judge of the U. S. Circuit Court of Appeals by President Franklin D. Roosevelt after serving two terms as Illinois attorney general.

Hairston to Withdraw From School Election

Hugh R. Hairston, 114 Bremen avenue, Venice, said Friday he plans to withdraw as a candidate for the Venice board of education since the appointment to the board last week and announced candidacy of Richard H. Bailey, 223 Hill street, Eagle Park.

Hairston, who operates a service station at 901 Main street, Venice, told the Press-Record, "Mr. Bailey is a fine man and I have known him for several years. He has children attending Venice schools, and is very interested in their welfare and the welfare of other children."

"I believe the school board made a wise choice in appointing him, and I do not plan to oppose him in the April 13 school election. So I will withdraw my name as a candidate."

Hairston's withdrawal leaves three incumbent board members, Jack Tolliver, Leo Davinroy and Elmer Taylor, seeking re-election to three terms and Bailey, who plans to file this week for the two-year unexpired term of John E. Gonterman, who died Feb. 13.

Ladder Climbing Can Be Dangerous

Ladders are handy for painting and doing many necessary chores around the house, but they can be dangerous.

The Quaker City Safety Council cautions that a fall from a ladder can cripple or even kill. In 1966, for example—the latest year for which figures are available—falls in homes across the country claimed 11,800 lives, the highest toll of all types of home accidents.

When in use, a ladder should be placed at a safe angle, or, better still, have someone hold it so it won't slip, the Association advises.

Price Terms Vocational Education Bill Essential

The new omnibus vocational education package introduced recently was termed "essential to America's future as a urban nation" by Congressman Melvin Price, (D., East St. Louis), in testimony before the House general sub-committee on education last week.

In his supporting statement of HR 15066, the Partnership for Learning and Earning Act of 1968, Price said that as a result of "the inadequacies of our past efforts" there was a growing feeling of "rejection and bitterness" in the ghetto and the slum dwellers' level of achievement was not matched the level of expectation.

Citing the previous unsuccessful attempts to develop a comprehensive vocational education program to serve the St. Clair-Madison counties area as one prime example of the need for HR 15066, Price focused his comments on the bill's Section 204, which provides for state-wide matching of federal dollars.

"While Section 204 does not represent radical departure from present funding methods of vocational education programs," Rep. Price explained, "the removal of the present stipulation for separate matching purpose-by-purpose will allow more flexibility."

Role of States
As the Congressmen views it: "This proposal would allow state authorities to implement

programs in economically depressed areas by investing up to 100% of federal funds in a urban nation."

Rep. Price continued: "The more affluent areas could then absorb the difference or the state could provide the funds where the local areas could not afford matching dollars."

The state of Illinois, under its plan, makes it possible for areas to obtain statewide matching. On this point, Rep. Price commented: "Our experience has unfortunately indicated that which is available is not always obtainable. I would strongly hope that Section 204 will be interpreted so as to induce the states to assess proposals in the context of the larger social needs of disadvantaged urban communities than in the rural-based framework presently existing in many states."

In his concluding remarks to the subcommittee, Rep. Price cited the findings of Advisory Commission on Civil Disabilities report on vocational education deficiencies as dramatic evidence of the bill's importance.

"The importance of HR 15066 transcends its legislative perimeters. We are not merely seeking to remedy educational deficiencies with this bill but in a much larger view are attempting to enable disadvantaged citizens to function as economically productive social beings in their communities."

Nine Area Couples Are Given Divorce Decrees

Complaints of State Filing Practices

A complaint charging that the office of Secretary of State Paul Powell at Springfield accepted nominating petitions from other candidates before the legal filing period of 8 a.m. March 4 was filed with the State Electoral Board Friday by Robert Ford, assistant supervisor of Wood River township and a candidate for state representative of the 55th district.

Ford said he filed the complaint in the form of a registered letter addressed to Illinois Gov. Otto Kerner, chairman of the Electoral Board. The board also includes the secretary of state, the attorney general, the state treasurer and the state auditor.

Ford said in the complaint that "I was the first candidate from the 55th representative district to enter the secretary of state's office and file my nominating petitions for Representative in the General Assembly at the legal time and date set."

"I waited many long and tiring hours in line without sleep in order to be the first of my district to file nominating petitions, then I was informed that the secretary of state had already accepted the nominating petitions of Mr. Lealand Kennedy and Mr. Horace Calvo of Granite City prior to the door of his office at 8 a.m."

Ford informed the governor that he feels his legal rights of state's office and file my nominating petitions, then I was informed that the secretary of state had already accepted the nominating petitions of Mr. Lealand Kennedy and Mr. Horace Calvo of Granite City prior to the door of his office at 8 a.m."

Mrs. Rose Nagy, 81, Dies Early Friday

Mrs. Rose E. Nagy, 81, of 2041 Lee avenue, died at 7:10 a.m. Friday, a short time after arriving at St. Elizabeth Hospital. She had been in failing health for the past eight years.

A resident of Granite City for 54 years, Mrs. Nagy previously lived in Glen Carbon. She was born in Hungary. She was a long-time member of St. Joseph's Catholic Church.

Surviving are her husband, James Nagy; one son, James S. Nagy, and two daughters, Mrs. Harold (Irene) Groves and Mrs. Stephen (Helen) Doroghazi, all of Granite City; and four grandchildren. Several nephews and nieces also survive.

Funeral services were held today. Arrangements are given elsewhere in this issue.

\$70,000 Accident Suit

A suit for \$70,000 was filed Friday in Madison county circuit court in behalf of Gary A. Oram by Norma L. Oram against Robert Allen as the result of an auto accident last Aug. 5 on Maryville road at Carl avenue. The complaint alleged severe and permanent injuries and charged negligence.

Survey by Metro Group on Plant Sites in Chouteau

Illinois Metro East, Madison-St. Clair counties industrial development corporation, is conducting an investigation into potential industrial sites in Chouteau township and a portion of Edwardsville township, it was announced Friday.

Part of the investigation entails contacting by mail the property owners in this area and determining from them if they are interested in having prospective industrialists look at their property as a potential plant site. The tracts are of five acres or more.

Results of this mail survey will be incorporated into a large multi-color map showing potential industrial sites in the bottomlands of Madison county.

This map is part of the continuing program of Illinois Metro East to attract industry into the two-county area, a spokesman said.

Individuals in Chouteau township and part of Edwardsville township who receive a letter from the organization are being requested to return the desired information by March 18. The address is Illinois Metro-East, P.O. Box 38, Granite City, or 1814 Delmar avenue.

Hearings Scheduled For Highway Dumping

Hearings for individuals charged in 18 complaints with illegal dumping along state Route 111 in the vicinity of Lakeside Airport and in areas near Mitchell and in Foster township will be held at 9 a.m. March 18 in the circuit court at Edwardsville.

The complaints against the 23 individuals were signed by Jack Clifford, county building and zoning administrator.

Two Issued Tickets On Speeding Charge

Arrested for speeding in the 1500 block of Madison avenue at 2 a.m. today was Kenneth Talley, 3210 Colgate drive, who was told to appear for a hearing by March 26.

Charged with exceeding the speed limit at Nameki road and Linden blvd., at 8:33 p.m. yesterday, was David H. Howard, 1935a Grand avenue, who is to appear in magistrate's court by March 30.

Medical Evidence Course at SIU-SW For Area Lawyers

Lawyers from throughout this area will attend a one-day course, entitled "Medical Evidence," to be held Saturday, March 16, at the Southern Illinois University - Southwest campus.

Faculty members, including trial specialists and doctors, will use lectures and visual aids in instructing the attorneys on how to convert medical evidence into courtroom proof. More than a year in preparation, the course is being presented by the Institute on Continuing Education of the Illinois Bar.

Lecturers and their subjects will be: John T. Pierce Jr., of Pope & Driemeyer, East St. Louis, "Discovering and Developing Medical Evidence"; Thomas P. Meirick, M.D., East St. Louis, "Medical Techniques for Diagnosing, Measuring and Illustrating Medical Conditions"; Willis P. Ryan, of Ryan & Ryan & Heller, Mattoon, "Selected Problems of Medical Proof"; James E. Gorman, of Reed, Armstrong & Gorman, Edwardsville, "Direct and Cross-Examination of Medical Witnesses"; and John E. Norton, Belleville, "Use of Demonstrative Evidence."

The course also is being presented at five other locations throughout Illinois this month.

All lawyers attending the course will receive a copy of "Lawyers Guide to Medical Proof," a 900-page volume on effectively gathering, interpreting and presenting medical evidence. The book is included in the \$35 tuition fee.

Lawyers who wish to enroll for the course may do so at the door, or by writing: Registrar, Institute on Continuing Education of the Illinois Bar, Illinois Bar Center, Springfield, Ill. 62701.

Registration for the SIU-SW course will begin at 8 a.m., March 16, at the University Center.

This course is one of many on varied phases of the law presented throughout the year by the Institute to help attorneys keep abreast of new developments in the law, and improve their services to clients.

STUDENTS OF TINY TIM pre-school class enjoying a mid-morning snack in their classroom at Central Christian Church. The school is supported by the Easter Seal Society.

Easter Seal Society Tiny Tim Pre-School Aids Youngsters With Physical Handicaps

The Tiny Tim pre-school for physically handicapped children conducted Tuesday through Friday mornings at Central Christian Church on Johnson road will be one of the recipients of funds raised by the Easter Seal Society during the current fund-raising drive.

Mrs. Mary Horn, teacher of the class of ten children, explained the program is licensed by the state to handle only ten children at a time and there is always a waiting list for enrollment.

"The goal of the school," she said, "is to help each child participate and function at their highest level of ability and to prepare them to attend school with other children."

She also noted a very high percentage of the children who attend the pre-school classes are able to attend public schools and function as other children.

"They are only slow in comparison with other children because of a physical handicap," Mrs. Horn is a registered occupational therapist and serves during the afternoons to aid any children and older persons who need assistance as a result of a stroke or other injury. She visits Alton, Edwardsville and St. Elizabeth's Hospital in Belleville in this capacity.

Through the efforts of the Church Women United a number of volunteers assist Mrs. Horn with the children here and are in the process of securing much needed equipment. Many groups and Federated Clubs have sent donations for her to purchase the proper toys that are expensive but durable, teaching aids and testing materials.

Mr. and Mrs. Robert M. Wiser of Granite City are now making wooden toys, a cost rack, a wooden stove and doll house and also a large boat to teach the students how to lace and tie their shoes.

A Girl Scout troop is making large rag dolls with hugging buttons, snaps and zippers on the clothing for the children to dress and undress the dolls to learn the motion of these mechanical devices. Another Girl Scout troop is making texture discriminating dice's to be used for specific tests.

Equipment Needs The next most needed items they hope to secure is an instant camera, a tape recorder and an audio-a-meter for test hearing.

During the coming months, Mrs. Horn hopes to arrange field trips, including a trip to the turkey farm, a train trip and possibly a tour of the zoo and of the local fire station.

Transportation will be made by a special bus adapted for the use of handicapped donated by the Variety Club, as a result of their marathon on TV last year.

Plans are under way to open a pre-school for the physically handicapped April 1 at Belleville at a former parsonage of the United Church of Christ.

For the past 13 years the Junior Service League of Alton has sponsored a two-week summer day camp at Monticello College, Godfrey, and the last two years the Auxiliary of the Society has assisted in this project.

Approximately 50 children, ages 4-12, attend this camp annually. Transportation is provided for the children and the Junior Service League members assist with the arts and crafts classes and as life guards.

One adult is appointed to handle classes of ten. Other groups that help with the summer camp are teenagers who assist daily and work with the children and OMI Brothers who live near Godfrey.

Volunteer workers who regularly assist at the school here are Mesdames Jean Knox, Marilyn Parker, Norris Mobley, Ruth Todd, Marcell Tolan, Edna Lynn, Virginia Wiser, Ellen Ehler and Verna Ruebhausen and Lucia Allen.

T/Sgt. John Andrews With Outstanding Unit

T/Sgt. John G. Andrews, son of Mrs. Ruth Moore of 2702 Cayuga street, has been recognized for helping his organization earn the U. S. Air Force Outstanding Unit Award.

Sgt. Andrews is an aircraft technician in the 3902nd Air Base Wing which maintains Offutt AFB, Neb., the home of Strategic Air Command (SAC) headquarters. He will wear a distinctive service ribbon as a permanent decoration.

The unit was cited for achieving an exceptionally meritorious rating from July 1966 through June 1967. Its successful analysis of unique and complex operational factors was credited with contributing immeasurably to the support of SAC headquarters and thus to the deterrent capability and security of the nation. Personnel of the wing were praised for their professionalism and dedication.

Sgt. Andrews was previously assigned in Vietnam. His wife, Marcella, is the daughter of Mr. and Mrs. Anton Koelzer, Beattie, Kan.

3 Sorority Chapters to Aid In 'Bowl for Heart' Project

Members of three local chapters of Epsilon Sigma Alpha Sorority have agreed to spearhead a "Bowl for Heart" bowling tournament, soon to be conducted at Bowling and Tri Mor lanes, according to Frank D. Finley, Illinois Heart Association field director.

The Heart Association official said today the tournament date has yet to be decided. However, volunteer personnel from the three chapters already have been recruited to contact bowlers and coordinate the contest which is expected to run five nights.

Alpha Xi chapter members who have agreed to serve include Joyce Albers, Betty Butch, Rosalie Bunte, Betty Colligan, Kathy Dehnal, Mary Fritter, Gerry Mendez, Irene Mooshegan, Virginia Peters, Sue Sanasarian and Judy Whitaker.

Epsilon Eta members are Charlotte Atkinson, Mary Ellen Steinhausen, Virginia Judd, Jo

Ann Borowitz, Diane Dietrich, Lana Maycock, Janice Boyer, Nancy Soho, Carol Grove, Diane Neehan, Lucille Trittsch, Nancy Gerard and Carol Soehnlin.

Those volunteering from Beta Psi chapter are Carolyn Smith, Linda Geiger, Shirley Claxton, Donna Theis, Betty Dick, Shirley Long, Millie Clements, Sandy Cuvar, Dolores Milton, Judy Dyer, Ann Hottel, Pam Wilson, Sammie Lowson and Norma Abenroth.

New Members for Navy Mothers

Thirty members attended the business meeting of the Quad-City Navy Mothers 850 Thursday evening at the VFW hall.

Guests were Mrs. Dorothy Christy and Mrs. Deloris Parker from the newly-formed Dean Levine Club of Collinsville.

A new member, Mrs. Patricia Rigney, was accepted as were two transfers from the East St. Louis club, Mrs. Lucille Pierce and Mrs. June Pritz.

The club voted to donate \$50 to purchase small articles requested by servicemen in Vietnam. The packages will be sent to the Marine Division, Air Wing and Fleet Force there.

A donation of \$10 was sent to the Easter Seal Society for their current fund raising drive. A number of the members will be assisting in this project.

A nominating committee was named, including Mesdames Edith McAllister, Jean Teller, Albert Ethington, Della Rabb and Margaret Minzmes.

The "mystery package" was won by Mrs. Gladys Marovich. A social meeting will be held on March 21 at the VFW.

Emerson PTA To Meet

Howard Etherton, president, of Emerson school PTA announces the monthly meeting will be held in the school gym Thursday at 7:30 p.m.

Entertainment will be a band concert presented by the McKinley Division Band. Refreshments will be served at the close of the meeting by the first, second and third grade room mothers.

Ladies Coterie Plans Events

The Ladies' Coterie Club met Thursday at the First United Presbyterian Church with Mrs. Bonard Maples as hostess.

Mrs. Della Pauly led the Club Collect, and Mrs. John Tate gave the pledge of allegiance.

Mrs. Evans Griffith, president, presided at the business meeting, and a discussion on scholarships, both music and for crippled children, was conducted.

Announcements of interest included a District Style Show on March 28 at Fischers in Belleville and the annual meeting of Madison county on April 8 at the First Presbyterian Church in Alton.

Final plans were announced for a bus trip on April 4 to the Salvation Home in St. Louis when the group will present completed baby layettes to the patients, a tour of the Evangeline Home for Girls and on to the Salvation Army office where they aid out-of-town travelers.

The program was omitted for this meeting so the members could complete work on the layette project.

The next meeting will be held at the Travelodge on March 21 with Mrs. I. E. Rodemeyer as hostess.

Minerva Club Elects Officers

Minerva Women's Club elected new officers for the coming year at their meeting Thursday evening in the home of Mrs. Davis Nagy jr., 3220 Wabash avenue.

Those elected were Mrs. William Cravens, president; Mrs. Louis Brusati, vice-president; Mrs. Kenneth Rapp, recording secretary; Mrs. Charles Weiss, corresponding secretary; Mrs. Keith Parker, treasurer, and Mrs. Paul Fralley, sergeant-at-arms.

The retiring president, Mrs. William Hodge, opened the meeting with the pledge of allegiance and the club collect. A "husbands' night" party was discussed with final plans for the social event to be held in the home of Mrs. Alex Tarpoff on March 30.

Refreshments were served to those named and to Mesdames Earl Benoit, William Burck, Pat Busch, David Evans, Charles Goff, Charles Kohl, Frank Kratz, Jerry Lorenz, Kurt Merz, John Phillip and Billy Terrell.

Miss Judy L. Rushing and Russell E. Dees are Wed.

Candlelight illuminated the sanctuary of Suburban Baptist Church, 2500 St. Clair avenue, for the wedding Saturday evening of Miss Judy L. Rushing and Russell E. Dees.

The bride is the daughter of Mr. and Mrs. Earl Rushing, 2428 Madison avenue, and the bridegroom's mother, Mrs. Ella Magnuson, resides in Rock, Mich.

Rev. Wendell Garrison officiated at the 7 p.m. candlelight ceremony before an altar decorated with urns of ferns, and arrangements of white gladiolus and aqua poms.

Lighted candelabra were attended by the bride's brother, John Rushing.

Wedding music was provided by Mrs. Shirley Schwendemann, organist, who accompanied the soloist, Mrs. Norma Mendoza. Vocal selections included "O Perfect Love" and "The Lord's Prayer."

Mrs. Rushing escorted his daughter down the white carpeted aisle and gave her in marriage.

She chose a floor length A-line gown of silk organza with French imported Alencon lace appliques accented with seed pearls and crystal beads, on the bodice and edging the attached shoulder-length veil of bridal illusion was secured with chiffon rose buds and Chantilly lace petals embellished with pearls. Her bridal bouquet was of white rosebuds and white poms.

The matron of honor was Mrs. Karin Turnbull, who selected a floor length A-line gown of aqua silk organza over tulle, trimmed in turquoise velvet ribbon and white lace. Her headpiece was a white chiffon daisy and she carried a bouquet of aqua and white daisies.

Gary Turnbull, served as best man, and the ushers were William Fowler, cousin of the bride, and Jessie Boyd, the bride's uncle.

Wedding guests were entertained at a reception immediately following the ceremony in the Fellowship Hall of the church. Miss Evonne Rushing, sister of the bride, presided over the guest book. After a wedding trip, the newly married couple will reside locally.

The former Miss Rushing was graduated in 1965 from Granite City high school and is employed as the Engineering

DATA Clerk at the Granite City Army Depot.

Mr. Dees is a 1962 graduate of Rock high school at Rock, Mich., and attended Northern Michigan University, Marquette, Mich., Carthage College, Kenosha, Wisc., and is presently enrolled at SIU-SU campus.

Mrs. Rushing, mother of the bride, was attired in a white dress trimmed in turquoise and pink embroidery with turquoise accessories.

The groom's mother chose a dress in two shades of blue with matching accessories. Both wore pink rose corsages.

Out-of-town guests included Mrs. Larry Babcock of Houghton, Mich., and Mr. and Mrs. Carl Brungbraber and Mrs. Alan Johnson of Marquette, Mich.

**Guild Holds
Guest Day**

The Afternoon Guild of St. John United Church of Christ were hostesses to the annual Guest Day on Thursday at the church with 123 members and guests.

Guests attending were from St. Peter United Church of Christ both the Evening and Afternoon Guilds, Christian Alton's Fellowship of Central Christian Church and the host church Evening Guild.

A 11:30 luncheon was served followed by a presentation "Trials of Jesus Christ" from a lawyer's viewpoint, presented by Donald Ruhl, an attorney from Highland.

The next meeting is planned for April 4 at 9 a.m.

**DESSERT LUNCHEON
FOR LOVE CIRCLE**

Mrs. Betty Williams entertained members of the Love Circle of Niedringhaus Methodist Church Thursday evening for their monthly meeting.

Mrs. Shirley Bushue, leader, opened the meeting and Mrs. Corrine Hinson gave the lesson, entitled "Dark Parish."

A dessert luncheon was served by the hostess to Mesdames Gladys Wallace, Ruth Purkey, Ruth Cann, Elsie Henley, Jeanne Sims, Dolores Allen and Norma Chesterman.

Mrs. Purkey with Mrs. Grace Paddock will serve as hostesses for the April 4 meeting, to be held at the church.

**HONOR CIRCLE MEETS
WITH MRS. ROWLAND**

Members of the Honor Circle of Niedringhaus Methodist Church met Thursday in the home of Mrs. Lena Rowland, 2028 Benton street with nine members present.

The hostess served a dessert luncheon, and Mrs. Jan Kohl was assisted with the program by Mrs. Lena Rowland and Mrs. Geneva Miller, who gave a vocal solo.

Mrs. Minnie Frohardt conducted the business meeting, leading the discussion on the project for the fall bazaar.

Others attending were Mesdames Golda Boyle, June Karandjoff, Lottie Howerton, Doris Wigger, Edith McCasland, Lois Lester and a guest Mrs. Carrie Zentmeyer.

**PWP ELECTS 3 BOARD
MEMBERS FROM AREA**

Eastside Chapter 91 of Parents Without Partners has elected new board members to begin their 1968 year this month. Three members are from Granite City: George Hicks, 2409 Grand avenue, librarian and historian; Norma Jackson, 2454 Delmar avenue, program chairman, and Ruby Medley, 1940 Adams street, to plan children and family activities.

The general meeting of the PWP is held the second Monday of each month at the VFW hall, Collinsville. Their purpose is to help and entertain single parents and their children through programs with professional speakers and other activities.

**PEACE CIRCLE STUDIES
MENTAL HEALTH FIELD**

The Peace Circle of Niedringhaus Methodist Church met in the home of Mrs. Velva Pieper, 1208A Niedringhaus avenue, Thursday evening, with Mrs. Leobus Gitchoff as co-hostess. Announcement was made of a district meeting to be held at the Signal Hill Methodist Church March 22.

Mrs. Joyce Miller presented the program on "Mental Health" for the 11 members and one guest attending. The next meeting on April 4 will be held in the home of Mrs. Miller.

History of U.S. Taste To be Lecture Topic

"Notes Toward a History of Taste in the U. S." is the title of a talk to be given Thursday at Southern Illinois University, Northwestern campus, by Prof. Nicholas Joost of the Humanities Division.

Joost, who has been a sharp observer of cultural progress in this country, will share his impressions on the influence of primitive influences upon the popular taste. To begin at 8:15 p.m. in the Lovejoy Library auditorium, his lecture is open to the public without charge. It is one in a series of fine arts lectures.

Editor of the quarterly publication, Papers on Language and Literature, Joost is a former associate editor and acting editor of Poetry magazine. His own poetry has appeared in the New Yorker and other periodicals. He is a contributor to the book, Fifty Years of the American Novel, which deals with the work of Robert Penn Warren. Joost's Scottish Thayer and The Dial, a book dealing with the colorful history of that avant-garde magazine during the twenties, was published in 1964 by the SIU Press.

A native of Florida, Joost received his doctorate from the University of North Carolina and taught at Northwestern and Loyola (Chicago) universities before joining the SIU staff in the fall of 1958. In 1957-58 he was research consultant at the Worcester Art Museum, where the Dial collection is housed, and in 1963-64 was a Fulbright lecturer in the Netherlands. He is a resident of Alton.

Local Area Residents Aiding 'Books for Vietnam' Project

A "Books for Vietnam" project, started in February 1966 by several employees at the Missouri State Employment Service, 505 Washington avenue, St. Louis, is still going strong and additional paperbacks are being sought, according to Mrs. Jeanne Plesse Rehmund, 2806 Myrtle avenue.

Mrs. Rehmund, the widow of a U. S. Navy man who was killed in 1960 and whose two sons currently are serving in the Armed Forces, is employed as a Veteran's Employment Representative and Human Resources Development specialist with the Missouri state agency. Her duties primarily concern the problems of veterans of all wars, specifically pertaining to health, education, re-training programs, physical and family welfare.

Knights of Columbus
The local woman told the Press-Record that several Granite City residents have contributed to the "Books for Vietnam" project. She applauded the efforts of Donald Stanton, St. Elizabeth Hospital's chief of supply and his "buddies" in the Knights of Columbus.

Stanton, 40, who, she said, "have donated numerous decks of playing cards for shipment to Vietnam along with the books."

Mrs. Rehmund explained that a committee of her co-workers, most of whom are veterans or had sons and relatives in the service, decided to collect and mail paperback books as these

could be handled easily by servicemen in hospitals and by marines, soldiers, sailors and airmen serving in the combat areas.

Many veterans who became involved in the book collection project, noted that reading matter made most welcome gifts and that paperback books, in particular, could be slipped into the pocket of their fatigues.

Mrs. Rehmund said the group later elected to add instant coffee and tea, dried and instant soups, pre-sweetened soft drink powder and decks of playing cards to the book shipments. "We keep the boxes small and send them fourth class to save postage," she added.

Since the project was initiated, the MSES employees assisted by friends, have sent approximately 7,000 paperback books plus hundreds of the additional items.

Rehmund commented "the letters of thanks received at our office, many times make us realize how little we've really done for them." She said the group mailed 39 boxes last Tuesday with each one containing 35-40 books and quantities of other items.

Quadrant veterans' organizations, or individuals wishing to donate to the "Books for Vietnam" program, may contact Mrs. Rehmund at 451-7673, or Central 1-7348, extension 318.

GC Township's Tentative Budget Is Up \$16,561

A tentative Granite City township budget of \$177,309 for 1968-69 year—an increase of \$16,561 over last year's appropriation of \$160,748—is available for public inspection, according to the office of Township Supervisor Nelson Hagnauer. The budget is on display at the office of City Clerk Pendleton, who is town clerk.

While the total budget for the general assistance fund was fixed at \$112,402, a tax levy far less than this amount is anticipated again this year because of a balance of \$188,899 in that fund expected at the end of the current fiscal year. The actual tax levy for the general assistance fund is estimated at \$38,688.

The budget is subject to change at the annual town meeting which will be held this year on April 2.

Town fund expenditures for the 1968-69 year are budgeted at \$58,470, only \$110 higher than the last year figure of \$58,360, while the new figure of \$112,402 for general assistance purposes is \$15,614 more than the 1967-68 budget of \$96,788. The appropriation of \$5500 for the municipal retirement fund is unchanged from last year.

Adopt Levy April 2
Receipts in the town fund are estimated at \$65,491 while those of the general assistance fund are estimated at \$23,787. Estimates are based on last year's tax levy. The new tax levy will be adopted in the April 2 town meeting in which a final budget and appropriation bill will be approved.

On the basis of current estimates, a balance of \$6021 is expected in the town fund at the end of next year, while a balance of \$11,385 also is anticipated in the general assistance fund.

A major portion of the town fund budget is for operation of the assessor's office which has a total appropriation in the new budget of \$36,690, up \$4500 over last year's budget of \$32,190. Most of the remainder is for the town's officers account, amounting to \$16,680, unchanged from last year.

Other items in the town fund include \$200 for elections, down \$2800; town hall expenses of \$1200, unchanged; \$3000 for other services, also unchanged; contingent fund of \$1200, up \$500 from last year's \$700; and \$1000, same as last year.

Retirement Fund Unchanged
The appropriation for the Municipal Retirement Fund of \$5500 is the same as that of last year, but a balance of \$1449 is expected to bring total receipts to \$6949.

The increase in the general assistance fund is accounted for primarily in the account for home relief, fixed at \$71,871. While this is an increase of \$19,065 over last year's figure of \$52,786, the new budget figure for hospitalization is set at \$11,385, up \$2200 less than the previous figure of \$15,601 for this purpose.

A \$500 reduction is made in the budget for institutional care, dropping from \$1000 last year to \$500 in the new budget, while funds for transient cases were dropped to \$500 from a \$1200 figure a year ago.

Administration costs of the general assistance fund are fixed at \$26,400, up \$1600 from last year's \$24,800, while the appropriation for contingencies was dropped from \$500 to \$200 in the new budget.

Food Costs Up
The increased home relief appropriation in the general assistance fund, set at \$71,871, results primarily in a \$10,000 increase in the account for food items which is fixed at \$45,000.

In addition, an account for unpaid bills amounting to \$12,571 is \$7055 higher than the \$4986 item for this purpose last year. The relief account for rent is fixed at \$6500, down \$500 from last year, but the account for payment of fuel bills is \$4500, up \$500 from the previous budget. A \$200 budget for clothing is unchanged, but the appropriation for medical purposes is set at \$500, up \$100. \$100 account for transportation and

moving costs is unchanged from a year ago.

Administration Costs Higher
A new budget figure of \$500 for institutional care is down \$500 from last year's \$1000. Only \$500 is set up for transient cases, down \$700 for last year's \$1200. The item for burial costs, however, is set at \$1500, up \$500 from last year.

Newly budgeted administration costs for the general assistance fund included \$21,000 for salaries, up from the previous budget of \$18,600. Other administration items include printing, \$750, down from \$1000; rent, \$1800, up \$600; furniture and equipment, \$400, down \$800; heat, light and water, \$500, unchanged; janitor service, \$1200, down \$250.

The contingency fund of \$250 in the new budget is \$250 less than the previous figure.

In the town fund appropriations for office expense, the total of \$2500 is up \$650 from the previous \$1850 budget. Town officers expense items, including stationery, supplies and travel are unchanged at \$1200, while costs of auditing and legal fees also remain unchanged at \$500.

The contingency fund of \$1200 in the new budget is up \$350 from the previous \$850. Costs of officers bonds is unchanged at \$1000.

Tigers Win GC Regional Title, Will Meet Maroons in Sectional

Midwestern and Madison-Clin-ton-Macoupin Counties Conference teams have fallen by the wayside but two Southwestern Conference quintets remain in the running as state high school basketball tournament play reaches the sectional stage this week.

Edwardsville's Tigers, champions of the Granite City regional tournament, will carry a 21-5 record against fellow conference team Belleville West (17-11) in a sectional contest at 8 p.m. Thursday at East St. Louis.

The Belleville West Maroons captured the Granite City regional by whipping Cahokia 64-61 Friday night after eliminating the host team 60-49 the previous night.

Defeat Redbirds, Kahoks
Edwardsville upended Collinsville 69-61 here Friday evening after the Tigers defeated Alton in overtime 79-70 Thursday night in the GCHS gymnasium.

In addition to the Tigers-Maroons clash Thursday, East St. Louis sectional semifinals pair Carlinville (24-3) and Beecher City (27-1) at 8 p.m. Wednesday. The Wednesday and Thursday victors will decide the sectional title at 8 p.m. Friday.

Carlinville topped Bunker Hill 55-70 in the Carlinville finale Friday night while Beecher City was edging Triad (St. Jacob-Marine-Troy) 78-74 at Vandalia.

Fifteen sectionals will send teams to the "sweet 16" competition next week along with

Springfield Lanphier—Lincoln (19-7) vs. Lanphier (21-6); Decatur (25-4) vs. Shelbyville (13-13).

Local Competition

Edwardsville eliminated two of the strongest teams in the state in the final two nights of the Granite City regional meet.

Tom Dezort scored 28 points and snared 15 rebounds to lead the Tigers Thursday and scored a goal with three seconds left to tie the game at 63-63. In the overtime, the Tigers hit 16 of 21 free throws as the Redbirds fouled in trying to gain possession of the ball.

Edwardsville had split its two games with the Collinsville Kahoks during conference play and used a pressing defense effective-

State Announces Hunting Dates

The hunting season for cock pheasant, quail, Hungarian partridge and rabbit will open at noon, Saturday, Nov. 16.

William T. Lodge, director of the Illinois Department of Conservation, has announced.

The deer season will be divided into two three-day weekends, a total of six days. The first half will be Nov. 22, 23 and 24. The second portion of the

deer season will be Dec. 6, 7 and 8.

Opening dates have been announced so that sportsmen who plan their vacations far in advance may know when the seasons begin.

Season lengths and bag limits will be set by the Conservation Advisory Board during its quarterly meeting in July when reports from field technicians are analyzed.

The counties to be open for deer hunting and permit quotas will be determined after population data gathered by deer project personnel has been studied.

14 Games Scheduled for SIU-SW Baseball Squad

Southern Illinois University's Southwestern campus has scheduled 14 games in its first season of intercollegiate baseball competition beginning April 3.

Roy Lee, baseball coach, said contests have been arranged with six midwestern colleges, including Washington University and Arkansas State. Four doubleheaders are among the seven home and seven away games scheduled.

SIU-SW entered intercollegiate athletic competition for the first time this fall with a soccer team which ended the season with a 3-3 record. The Cougars also competed in basketball, ending with a 5-5 record.

Prospective pitchers and catchers have been working out for two weeks in a tunnel under the University Center. With the arrival of warmer weather, Lee has also had a chance to examine the rest of the squad.

"It's too early to make any predictions about our chances this season," Lee noted, "but on the whole, the players look pretty good, so I think we can round out a respectable team."

Coupled at St. Louis U, a former professional baseball player, Lee won four Missouri Valley titles in a row as coach for St. Louis University. He came here in September as an instructor in the faculty of health, recreation and physical education.

The Cougars' first baseball game will be April 3 at Lebanon, where they will face McKendree College in a doubleheader. Games at SIU-SW will be played on the diamond north of the Science Building.

The schedule includes:

At McKendree College (2)
April 3, 4 p.m.
Harris Teachers here,
April 10, 3 p.m.
At Washington University,
April 13, 1 p.m.
Concordia here,
April 20, 1 p.m.
At Concordia,
April 24, 3:30 p.m.
MacMurray (2) here,
April 27, 1 p.m.
McKendree (2) here,
May 8, 3 p.m.
At MacMurray (2),
May 11, 1 p.m.
At Harris Teachers,
May 15, 4 p.m.
Arkansas State here,
May 18, 1 p.m.

PITCHING AND CATCHING hopefuls work out in the service tunnel at SIU-SW. Leading the exercise is baseball coach Roy Lee, who is preparing for the Cougars' first season of intercollegiate competition.

Elks Top Rollers In 1st Events

Claude Martin, of the Urbana Elks Lodge 991, leads in the singles of the Elks Bowling tournament bowled at Tri Mor Bowl Sunday afternoon. He shot a 702 scratch, and George Hamilton of the same lodge rolled a 688 series.

The doubles leader also is Lodge 991, as Martin and Edward Rathstrom combined for a 1340 six-game total.

The five-man team leader, after the opening round, is Temples Sporting Goods from Moline, with a 3105 series on lanes 3-4 at Bowl and Saturday afternoon.

Members of the team are Bob Anderson, Ralph Arnett, Jim Hartzell, Dick Pearson and Harvey Pearson. Pearson led his team with a 214 game.

This was the first week of the seven weekend tournament. Teams from throughout the state will be in the Quad-City area to compete in the tournament.

Team events will be bowled at Bowland Lanes. Doubles and Singles will be bowled at Tri Mor Bowl.

Golf Class to be Held at YMCA

The YMCA will conduct a golf instruction class to be held on Thursdays from March 21 to April 25. The six session course will be open to high school boys and girls at 7 p.m. and to men and women at 8

p.m. Ferd Valdez, former golf professional at Clover Golf Club, Altan, will instruct.

Those enrolled will be asked to have their own clubs, one wood and one iron. Cost will be \$8 to non-members and \$4 to YMCA members. Enrollment is being handled at the YMCA or by telephoning 576-7200.

Exhibition Hockey Game Wednesday

The first ice hockey game in the history of the Wilson Park rink will be played at 8:15 p.m. Wednesday by teams from Winterland and Webster Groves composed of 10-to-12-year-old boys. Admission will be free, and there will be no late skating session that night.

Other clubs that have formed in the St. Louis area are from Steinberg, Clayton and the St. Louis County Ice Hockey club. The local park district does not have a club at the present.

The game will provide an opportunity for Granite City residents to see what other communities have done in equipping players for hockey competition. The boys who will participate will be wearing full hockey equipment.

New Meeting Date for Park Boys Baseball

A divisional meeting of managers and coaches in the Granite City park district boys' baseball program will be held at 7 o'clock tonight for Atom division managers at the park district office.

Tomorrow night, Nantam division managers had been scheduled but instead will meet March 21. The park district winter carnival will take place tomorrow night.

Thursday, at 7 p.m. managers and coaches of the Mid-est division will meet.

38-Game Warrior Baseball Season to Open Next Week

The Granite City high school Warriors baseball team will begin its 38-game season next week, opening at home Wednesday, March 20, at 4 p.m. against O'Fallon.

The Warrior home games will be played on Wilson Park's diamond number one, where local Inter-City teams play their games on Sunday afternoons.

The Warriors have Joe Fedora returning for his last year as the head baseball coach. In 1968-69, Fedora will become the athletic director of the school district.

Early Drills, Games
Coach Fedora has had his pitchers and catchers working out for a month now; he likes to give his utility men longer to get their arms in shape.

"It is important that a pitcher be well loosened up before he attempts to pitch any games. The boys will have plenty of time to get ready, and the early start gives us a few games before we play our first conference games."

"There are always quite a few games that have to be canceled every year because of rain, and this often hurt the young pitchers that need the experience," he related.

"I think that the fans can expect from a respectable to a good team this season. For the first time since I have been the coach we will have our two starters back from last year. We also have several promising prospects."

Rains, Becker Back
Pitchers who are returning are Don Rains, who finished last year undefeated and had 10 wins, and Jim Becker, who had a record of seven wins and one loss in 1967.

Catchers who are returning are Don Rains, who finished last year undefeated and had 10 wins, and Jim Becker, who had a record of seven wins and one loss in 1967.

Other returning lettermen are

Roger Belshé, catcher; Gary Simpson, shortstop; Jim Parks and Jim Gilmore, pitchers; Charles Fossieck, second base; Bob James, first base; Jeff Jones, an outfielder; and Mike Dochwat, a utility man.

Bookkeeping, Typing to be Started at Venice Center

Bookkeeping and typing classes at the Lincoln vocational training center may begin April 1, according to Venice School Supt. John O. Pier, who said state approval was received last week for a \$64,991 appropriation to operate the school between now and July 1. Funds will be used to purchase equipment and classroom furniture for the new instruction courses to provide 75 desks and chairs for students now enrolled. General Education Development and Basic Education courses and for teachers' salaries.

Equipment needed includes calculators, adding and duplicating machines; typewriters, L-shaped typing desks and chairs; instructor's desks, text books, 16mm projector and storage and filing cabinets.

Classes at the center now are held at night. Daytime sessions may be added within a month or two, Supt. Pier said. A recent survey of students, showed about half would attend daytime classes.

Nearly 200 persons from Madison and St. Clair counties have enrolled for courses, while nearly 80 now attend GED and basic courses. Financed by the Illinois Department of Vocational Education and Rehabilitation, the training school remains under Venice School District Three's administration and control. In the process of being completed

are classes in power sewing and graphic arts. Commenting on the graphic arts course, Supt. Pier said Tuesday the state education office has agreed to send an expert in this field to Venice to assist in setting-up the program and purchase equipment. "Presently, we have two basic education classes and three GED classes, and we have many more people interested in taking these courses than we can accommodate at the moment," the Venice official stated.

He said the district hopes a course in graphic arts will be available in September and that current plans call for submitting to state authorities by July 1 detailed program proposals for machine and welding shops, auto mechanic and body and fender shops, with these programs expected to get under way by September.

Supt. Pier commented on a letter received from William E. Whitlock, assistant supervisor, Safety and Driver Education Training, State Office of Public Instruction, who inspected the Venice district's driver education program Jan. 23, in which the state official commended the district for constantly updating instruction to meet the needs of the program.

The Venice school board has authorized payment of junior college tuition costs for Daniel G. Moad, 232 Weber street, a 1962 graduate of Venice high

school, and a veteran of four years service in the U. S. Air Force. Moad, who has been employed at Scott Air Force Base, Belleville, since his service discharge in 1966, plans to enroll for the summer session at Belleville Junior College.

Permission was granted to the Madison Branch of the NAACP to use the Venice school gymnasium on Sunday, April 7, for a benefit "Freedom Fund" tea, with reimbursement of a \$25 janitorial fee required.

A request from Venice school cafeteria workers to begin negotiations for a new work contract was referred to Fred Durer, chairman of the personnel committee. Present contract with cafeteria employees, which is members of Building Service Employees, Local 98, expires June 30.

February Canal Freight Up Over Previous Month

Commercial freight shipped through the locks at the Chain of Rocks canal during February totaled 2,962,750 tons, an increase of 493,000 tons over shipments of the same month a year ago, according to a report by the U. S. Army Corps of Engineers which operates the locks.

The shipments last month also were an increase of 364,240 tons over the 2,598,510 tons that passed through the canal during January this year.

Of the total shipments last month, 1,317,250 tons moved through the locks upriver and 1,645,500 tons were shipped downriver. Shipments included: Petroleum products, 367,000 tons upriver and 143,700 tons downriver; grain, 23,900 tons up and 1,319,500 tons down; coal, 225,500 up and 5600 down; cement, sand and gravel, 5700 and 19,900; sulphur, 20,700 and 3500;

miscellaneous commodities, 40,700 and 42,700; iron and steel products, 86,900 and 78,000, and chemicals, 172,650 and 32,600.

Two-Month Total Up

The shipments in February brought to 5,361,260 tons the total amount of freight moving through the locks during the two months of this year, an increase of 310,510 tons over the same two-month period of 1967.

A total of 4081 vessels moved through the locks during February for a total of 7366 using the locks in January and February. Last year 7203 craft moved through the canal in the same period. Army Engineers reported 1429 lockages last month, bringing to 2102 the total lockages during January and February.

A total of 3290 barges and 747 towboats used the locks during the month, while other vessels included 16 small craft and one private recreation boat; 15 government towboats and 13 government barges, nine government small craft and six patrol boats.

\$26 Million Tax Refunds in This Part of State So Far

Jay G. Philpott, district director of Internal Revenue, had good news today for area taxpayers.

So far this year, IRS has returned more than \$240 million in federal income tax refunds to taxpayers in the eight-state midwest region. And 159,979 taxpayers in central and southern Illinois will share in this amount to the extent of more than \$26½ million.

Director Philpott noted that some taxpayers are experiencing delays in receiving their refund checks because of errors being made in filing their 1967 returns.

For instance, some of them have been using the wrong tax tables in computing their fed-

eral income tax returns. Others forgot to include their Form W-2 or schedules with their returns.

He cautioned taxpayers to take a second look at their return before filing it with the IRS. This precaution, he said, could result in discovery of minor errors by the taxpayer himself and thus make the return complete and expedite its processing.

Philpott reminded taxpayers filing returns showing an overpayment of tax—whether it is to be credited to 1968 estimated tax, applied to U. S. savings bonds or refunded—that they should file their return directly with the Internal Revenue Service Center, Kansas City, Mo. 64170.

High School Artworks Displayed at SIU-SW

Nearly 200 entries have been received from area high schools in an art competition sponsored by Southern Illinois University's Fine Arts Division.

A jury has selected works to be shown from this week through March 31 in the lobby of the Communications Building at SIU-SW. Prizes were awarded Sunday at a reception for participants, their teachers, families and friends: \$20 awards went to the winning entry in three categories—graphic arts, painting and three-dimensional works.

Convertible Top Cut

The convertible top of an auto owned by Walter Griffith, 2812 Harding Blvd., was slashed in four places while it was parked at his home after 7:30 p.m. Thursday, he reported at 7:45 a.m. Friday.

High schools in Madison and St. Clair counties, St. Louis and St. Louis county, were invited to enter a maximum of ten entries per school. Michael Smith, exhibitions director, said entries were about equally divided from schools in Illinois and Missouri.

Legion 113 to Celebrate 49th Birthday on Friday

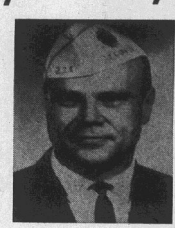

Tri-City Post 113 of the American Legion will observe the 49th anniversary of the founding of the Legion with a birthday dinner and dance at 6 p.m. Friday.

Guest speaker during the dinner program will be Clarence "Curly" Brooks of Carmi, who served as Illinois Department commander in 1960-61.

A world war II veteran, Brooks was pilot and saw action in the European theater, serving from December 1942 to October 1945.

A Legionnaire since 1946, he also has served as post, district and division commander, was vice-chairman of the national internal affairs commission for three years and was a national executive committeeman. He now is an English instructor at Vincennes, Ind.

Corned beef and cabbage will be served at the dinner, with tickets at \$1.50 for adults and 75 cents for children. Dancing will begin at 9 p.m. Cletus Pattberg, junior vice-

CLARENCE E. BROOKS

commander, is in charge. Jim Logue, commander, reported that the post again will sponsor a junior Legion baseball team, that a post softball team is being formed and that preparations are being made for the coming barbecue season, to open the second or third week of April.

Koenig Named CD Top Recruiter For U. S. Council

Granite City Civil Defense Director Victor H. Koenig, who also serves as Illinois representative to the U. S. Civil Defense Council, has been declared winner of the council's membership contest for the month of January.

In announcing Koenig as the winner last week, USDC National Membership Chairman William G. Robinson said, "The January drive was a hotly contested affair between state representatives from Illinois, Louisiana, Maine, Minnesota and Texas. However, when the total points were tabulated, Victor Koenig of Granite City emerged as our champion for the month."

The local CD official was appointed to the state post on Dec. 1, 1966, and renamed to the same position at the 1967 convention by Arthur E. Burrell of Lexington, Mass., the national council's newly-elected president.

He was one of eight state representatives to receive a "Presidential Citation" for outstanding contributions to Civil Defense at the Miami Beach convention.

Koenig said today he plans to attend the Mid-Year USDC Conference, set for March 18-20 at the Sheraton-Park Hotel in Washington, D.C., when the membership award will be presented.

Scheduled to address the conference are Joseph Romm, acting director, U. S. Office of Civil Defense; Clinton B. Cooper, Central Intelligence Agency executive; and a presentation by Herman Kahn and staff members from the Hudson Institute. Former chief of the Granite City auxiliary police and deputy CD director, Koenig has served as local CD director since 1961. He resides at 2538 Sheridan Avenue and is employed at Granite City Steel Co.

Shriners to Entertain K. of C. Leaders Friday

Ainad Temple Shriners will host leaders of the Knights of Columbus of Southern Illinois at a corned beef and cabbage and fish dinner at the Mosque in East St. Louis at 5:30 p.m. Friday.

Potestate Harold R. Manlie Sr. has invited the grand knights of all the Third degree councils in the Ainad area, the faithful navigators of the Fourth degree, plus the secretaries of each group.

Other dignitaries of the Knights of Columbus also have been invited to an evening that includes a dinner and stage show. O'Sullivan's Irish dancers will be one of the features.

On the agenda is the presen-

tation of membership gold plaques for those who have been a member of Ainad 50 years or more. With 46 men eligible for the honors, many live in distant cities and not more than 20 men will be on hand, Manlie said.

When Ainad was about to become a reality in 1912, the men who signed the letter of intent were making Ainad part of the emblem of Masonry for Southern Illinois. Today, one man who signed the letter survives.

He is William Bachman, a retired Collinsville jeweler, now living in the Memorial Nursing Home in Belleville. He received the first gold plaque from Potestate Manlie last week.

Ainad's provost guard will be on duty for the surrounding Temple area.

Elks Lodge to Fete St. Patrick's Day

The annual St. Patrick Day corned-beef-and-cabbage dinner of Elks Lodge 1063 will be held next Monday, starting at 5 p.m. under the sponsorship of the past exalted rulers.

A regular meeting of the lodge tomorrow will be preceded by a dinner meeting for past exalted rulers, starting at 6:30. The members are to nominate officers and to ballot on seven candidates.

Man, 45, Bound Over For Aggravated Battery

Harold Pasley, 45, of 4010 Braden Avenue, waived preliminary hearing Thursday and was bound over to the Madison county grand jury on a charge of aggravated battery by Magistrate Matoseian who set bond at \$4000. He was taken to the county jail.

Pasley was arrested early Thursday after being chased by police through traffic and was charged with stabbing the hand of Franklin A. Smith of Granite City in the area of Pasley's trailer home.

\$9900 Suit Filed Over Plant Accident

A suit for \$9900 was filed for Faith Marie Coy against Union Starck & Refining Co. last week in Madison county circuit court. The complaint alleges that her husband, Michael Coy, while employed at the local plant, sustained serious injuries as a result of an accident there last July 10, and that the company negligently and carelessly furnished medical care, causing the injury to become more severe. The wife was deprived of his support, it is asserted.

Eagle Park Fire Hits 3 Houses, Five Sheds

A weed fire fanned by a high wind spread along the railroad tracks in the 300 block of Watson street in Eagle Park Acres Thursday afternoon, destroyed one farm house, extensively damaged another, caused minor damage to a third residence and burned down five sheds.

Venice Fireman who answered an alarm to the area said the dry grass and weeds permitted the blaze to spread rapidly and efforts to save the sheds located at the rear of the homes were of no avail.

The fire apparently started in the rear of 310 Watson street, tiremen said, and spread quickly to areas on both sides. The house at 310 Watson street was damaged extensively and minor damage was caused to the house next door at 312 Watson street. A third one-story frame house at the rear of 310 Watson street was destroyed.

Firemen said they were unable to locate the occupants of the house at 310 Watson street and the house at 312 Watson street was vacant.

Firemen said they laid 1450 feet of hose to combat the fire and were at the scene two hours.

Charged With Striking Police, Ruining Uniform

As Madison police were arresting two men for fighting at Fourth street and Madison avenue at 10 p.m. Saturday, Neal C. Burns, 2661 Stratford lane, allegedly interfered with the officers and swung at one, who then struck him on the head.

As Burns was being booked at the police station for interfering with police and resisting arrest, he allegedly hit another officer and tore his \$40 uniform jacket in half. Burns was forced to the floor and sprayed with chemical mace, later being admitted to St. Elizabeth Hospital for overnight treatment of head cuts.

Additional charges of assault and battery and destruction of city property were filed against him after the incident at the station.

Those booked for fighting were William Smith, 26, of 125 Abbott street, Venice, and Danny Means, 24, of 2009 Edwards-ville road, Madison. Each was released on \$50 bond to return for a hearing March 20.

Police advised Madison officers in making the arrests.

Tax Collection Delay May Cause Problem at Clinic

This year's delay in collection of 1967 taxes may create a problem for the county's new taxing agency, the Quad-City Mental Health Clinic.

Jerry L. Stuen, executive director of the clinic at 2024 State street, said there are sufficient funds to meet this month's \$6500 payroll and operating expenses, but that no funds will be available for April.

Staten told the Press-Record he has contacted the Springfield office of the state department of mental health to determine if state funds will be available in advance to cover the agency's operations until 1967 tax money is available.

The local clinic has an annual budget of about \$65,000, with approximately half of the funds coming from the state. We get about \$4000 a month from the state, and we're trying to get an advance to meet expenses for the next several months," Staten explained.

The county has most of its available funds in investments, and already has made one advance tax payment to the mental health agencies in the Quad-Cities, Alton and Edwardsville areas.

Major Increase in Aid to Quad-City, U. S. Servicemen; SOS Fund Drive Launched

"With the expansion of U.S. military forces in South Vietnam has come a sharp upsurge in the need for aid to servicemen," Jack Absalom, chairman of the Tri-City Red Cross chapter said today in outlining plans for an SOS (Support Our Servicemen) special fund drive here.

The campaign will be limited to March 28 through April 1, and is being formally launched this week with the mailing of letters to businesses and organizations.

Individuals and families are being asked to send contributions to SOS to the Tri-City Red Cross office at 1411 Twenty-first street.

In the month of 1967, individual services to our fighting men in Vietnam were nearly double what they had been in the corresponding month of 1966—21,150 to 11,500," Absalom said.

Individual favors were miniature hats, each decorated with a shamrock and Irish rubric.

The evening was spent playing pinocle and those excelling in the games and winning prizes were Mrs. Bette Rea, first, Mrs. Doris Thompson, second prize and floater prize, and Mrs. Arlene Laub, third.

A late luncheon was served by the hostess to those named and Mrs. Arlene Morley, Mrs. Shirley Brown, Mrs. Donna Hogan and a guest, Mrs. Alice Miller.

Hostesses for the meeting were Mesdames Louis Kozol, Frank Pare, Michael Skubish, Toni Strain and Michael Zikowich. They used a St. Patrick theme for their table appointments and dessert.

Guests included Mesdames Frances Bury, Gertrude Roth, Ruth Calaway, Melvin Carls, Kathy Breidenbach, Karen Guth and Julie Johnson.

"Total of services to men and women in military uniform in the 1966-67 fiscal year by Red Cross staffs and volunteers at U.S. military installations and hospitals in the U.S. and overseas was 1,400,760—an increase of 300,867 over the preceding 12 months."

Costs borne by Local Chapter "SOS" chapter here is limited to providing \$8016 a year for services to the armed forces and military families, not counting local aid to servicemen and dependents, which has risen from a monthly rate of \$400 to about \$1000 recent months.

"The American Red Cross will spend \$121,000 in 1968, its highest budget since world war II."

"Actually, fewer national staff members per serviceman have been endeavoring to carry on Red Cross programs in Vietnam than have been undertaken wherever possible."

"But the war and servicemen's needs have been expanding so extensively and rapidly that it has become impossible to allow for all the financial requirements. As a result, this emergency drive became necessary to adequately support Quad-City and American servicemen."

Absalom, an American Steel Foundries executive, has appointed as general chairman of the drive, Herbert Schermer, local clothing store operator, and Gerald Walters, Army depot savings director.

They point out that at the 61 major military installations, 22,000 requests for Red Cross services are handled each month.

700 Messages Daily

Emergency messages concerning servicemen and their families flash between Vietnam and stateside Red Cross chapters at a rate of 700 each day.

Eighteen Red Cross recreation centers and clubmobile units are staffed by college graduates who travel nearly 27,000 miles each month, presenting an average of 2500 entertainment programs to nearly 30,000 American servicemen.

Patients at major evacuation and field hospitals, including the hospital ships Repose and Sanctuary, are provided welfare and recreation programs.

Military commands in Vietnam are assisted in their recreation and survival swimming programs, and Red Cross specialists teach military personnel in advanced instructor courses in water and boating safety.

In addition to American Red Cross work with the armed forces, it has a 10-man refugee team, assisted by the South Vietnamese Red Cross and supported by the U.S. Agency for International Development, operating 40 refugee camps for 56,200 refugees.

American Red Cross youth volunteers shipped to South Vietnam last year hundreds of thousands of friendship boxes, thousands of cans of condensed milk, children's clothing, toys and funds to purchase candy. Their gifts were distributed to South Vietnamese youth in classrooms and refugee centers.

Staff of 369 in Vietnam

In January 1965, the American Red Cross had 13 staff members on duty in South Vietnam. Three years later, more than 360 staff members were assigned there.

Scout Event to Stress State Sesquicentennial

The Uniwah and Kickapoo districts of the Cahokia Mound Boy Scout Council will observe the Illinois Sesquicentennial anniversary at a spring camporee May 3, 4 and 5 at Pere Marquette State Park.

The program will stress eight categories—Indian lore, Lewis and Clark, Abraham Lincoln and other historical personages,

industrial history and production, waterways and parks, agriculture, Negro history and the future to Illinois.

More than 500 boy and more than 200 adult scouts are expected to be on hand.

Persons knowledgeable in any of the eight categories who wish to assist in the celebration may contact John Pekarick, Fred Hacke or Bill Ireland.

Father of Local Man Dies at Sacramento

John T. Tanner sr., 82, died following a two-year illness at 4 p.m. Thursday at a nursing home in Sacramento, Calif., where he was a patient one day.

Before moving to the west coast nearly a decade ago, he had resided here for two years with his son and daughter-in-law, Mr. and Mrs. John T. (Ruth) Tanner jr., 6 Eastgate drive. For the past several years, he had made his home in Sacramento with a daughter, Mrs. Verna Morrison, formerly of Granite City.

Born in St. Louis, Mr. Tanner spent most of his life in that community. Prior to retirement in the early 1950s, he was employed for many years with the city of St. Louis street department.

He was a member of St. Louis Moolah Shrine Temple; Good Hope Masonic Lodge 218 of St. Louis; and the Low Twelve Club. His wife, Emma, died in 1949.

Beside his son and daughter, Mr. Tanner is survived by another son, Eugene Tanner of St. Louis; one sister, Miss Lena Tanner of Salem, Ill.; four grandchildren, including John A. Tanner of Granite City and James Tanner, presently serving with the U. S. Army in Vietnam; and four great-grandchildren.

Mr. and Mrs. Tanner left Granite City Friday for Sacramento, where they are attending the funeral today.

House Passes Price's Lunch Bill for Children

The House of Representatives last week passed decisively a bill originally introduced by Rep. Melvin Price (D), East St. Louis, which would provide lunch for impoverished children attending summer camps, day care centers, and various pre-school activities.

In a prepared statement for the House, Rep. Price reminded his colleagues, "It is this type of remedial legislation that the House must look to if we are to have even the slightest chance to solve the problems of our cities which have been so graphically described in the recent report of the President's Commission on Civil Disorders."

Using the approach and experience developed in 21 years of the National School Lunch Program and three years with the School Breakfast Program, Rep. Price's H. R. 10398 would broaden the base of efforts to improve child nutrition by authorizing a three-year pilot program to reach children in a variety of non-school situations. A full range of food assistance would be provided on a year round basis in public or private non-profit day-care centers, settlement and neighborhood houses and private non-profit pre-school activities. During the summer months in recreational programs such as day camps and youth centers, lunch would be provided for children of low-income families who face the summer nutrition gap when the school lunch programs are not available.

Price's amendment to the National School Lunch Act closes the one final gap in the legislative framework that has developed in recent years.

The new amendments to the lunch program now go to the Senate for immediate consideration. Rep. Price is hopeful that this measure will be signed into law by the President within a few months.

Seminar on Juvenile Law to Open Today

A seminar on recent developments in the field of juvenile court law will be conducted today and Tuesday by Leon Scroggins, state's attorney, for law enforcement and educational personnel at the courthouse at Edwardsville.

Among discussions will be the opinion of the U. S. Supreme Court that a juvenile is entitled to an attorney, right to confront witnesses, the privilege against self incrimination, the charges and appropriate court review.

Girl Scout Week Observance With Ceremonies, Displays

The thousands of girls of the River Bluffs Girl Scout Council attended church services yesterday in recognition of Girl Scout Week and the 56th anniversary of Girl Scouting in this country.

The girls attended the services in uniform. Citizenship day is to be observed tomorrow with Girl Scout troops at various schools to participate in flag ceremonies before the start of the daily school session.

Mrs. Kiril Kirchoff, publicity officer for the Quad-Cities area, said today that displays of hand-

icraft are being set up throughout the Quad-Cities for the week's observance and will be at the following locations:

Madison post office, Baum's Supermarket, Banks General Store, Nelson's Cafe and Garrett's Drug store in Venice, Glik's Department store and the W. T. Grant Co. store in Granite City.

Neighborhood One will be in charge of the district tree planting ceremony which will be held at the close of Girl Scout Week at 10 a.m. Saturday at the Madison Recreation Center.

MORE ABOUT Late Tax

appeared confident this would retain a 1.0 multiplier for Madison county, the Illinois State Department of Revenue had said earlier that the county would need an additional \$28 millions in assessments to bring the county valuation to full, fair cash value.

Records for the new assessment figure were signed by Board of Review Chairman Harold Landolt, members Frank Rissi and John W. Lauer, and Miss Eulalia Hotz, county clerk. The assessment abstract was certified to the state revenue department, which then will certify the final multiplier figure to be used in Madison county for the next four-year period.

Want Quick Ruling

Members of the review body said they are hoping for a quick review of the new assessment abstract by the state, within the next week at least, for a prompt certification of the multiplier. The county clerk's office cannot begin tax extension work until the multiplier is received.

The review board began upgrading assessments in nine under-valued townships after the state department of revenue, working on a total of \$895 millions in valuations as determined by local township assessors, certified a tentative multiplier of 1.0390 to be applied against assessments on a county-wide basis.

The state department informed the county that it needed an additional \$28 millions in assessments, raising the total to \$923 millions, to attain a fair cash valuation.

The review board ordered flat percentage increases in the assessments of nine townships which the board considered were valued by the local assessors on a ratio less than the 50% required to meet demands of the state revenue department.

GC Gets 10% Rise

These included Granite City township where a 10% increase was ordered in the lots and lot improvement classification, and Nameok township where a 10% increase on lots and a 25% increase on improvements was ordered. While Chouteau township was not included in the original list of nine townships where flat increases were ordered, the review board has listed for publication individual changes it has extended on some Chouteau township items. In Granite City the order for a 10% increase on lots and lot improvements had the effect of reinstating a 10% reduction in such valuations made by Granite City Assessor James Barton when his office made the new quadrennial property assessment last summer.

The review board, however, also has listed for publication some individual personal property changes as well as changes in 15 different real estate valuations in Granite City. Both the personal property and real estate changes include decreases as well as increases.

GC Steel Increased

Foremost among these is an increase of \$1,280,000 for Granite City Steel Co. in the real estate category. Other increases shown in the publication list include \$125,120 for American Steel Foundries, \$100,000 for Air Products & Chemical Co., \$50,000 for Nestle, Inc., \$14,370 for the Illinois Power Co. and \$10,000 for RC Cola Co.

The board also listed personal property increases of \$100,000 for Air Products & Chemical, \$27,500 for Nestle, Inc., \$21,530 for A. O. Smith Corp. and \$10,000 for Union Star & Refining Co.

Reductions included a \$228,295 cut in the personal property assessment of the First Granite City National bank, and a \$700 reduction in the personal property assessment of Mississippi River Transport.

Other Changes Made

Other personal property changes ranged from \$100 to \$100.

Hilt said the changes listed for publication were made on complaints filed with the board

\$125,568 Allocated for Head Start in County

Cong. Melvin Price, who was in this district, announced Saturday that the Madison County Economic Opportunity Commission is receiving \$125,568 to finance Head Start training of 900 children in Madison county for two months this summer.

The total includes \$108,964 in federal funds and \$16,604 in re-programmed funds.

Pre-school instruction, counseling and health services will be provided to children of low-income families. Program director is Maurice S. Harris, MCEOC director.

Conduct Charges Filed

Gerald F. Wilson, 18, of 220 Lenox avenue, Mitchell, was charged with disorderly conduct and profanity and Kenneth W. Riddle, 17, of 1217 Madison avenue was charged with disorderly conduct at 1:15 a.m. Saturday at 20th street and Madison avenue.

of review in the normal procedure of adjusting locally made valuations.

A board spokesman pointed out that the board actually produced \$17,738,650 in additional valuations, but that the net increase was reduced to \$15,126,445 by retransfer of property of two large corporations, Sinclair Oil Co. and Dow Chemical Co., back to real estate classification, after local assessors originally had changed them from real estate to personal property classification.

In Nameok township, where a general 25% increase was ordered for certain subdivisions, and five personal property items, but only two of these represented increases.

Increase Illinois Power The board board listed the personal property assessment of the Illinois Power Co. by \$105,700 and the real estate assessment of the Terminal Railroad Association by \$10,000. It also cut by \$3000 the real estate assessment of Sinclair Oil Co.

Reductions in personal property valuations in Nameok township included \$3700 for American Telephone and Telegraph, \$3010 for Marathon Pipe Line Co., \$570 for Western Union Telegraph Co. and \$100 for Mississippi River Transport.

Five increases and five reductions in real estate assessments are listed by the review board for Chouteau township. Two increases and two reductions in personal property assessment items also are listed for Chouteau township.

NYC Up \$57,215 Largest increase in Chouteau assessments was \$57,215 for The New York Central Railroad. Other increases in real estate values included \$4285, also for the Chouteau township, \$1485 for the Terminal Railroad Association, another \$1500 for the Terminal Railroad, and \$855 for the Wash. Railroad.

Real estate reductions included \$4750 for the Lindberg Investment Corp. and \$1800 for the Chicago and Alton Railroad. The other three reductions were made for individuals.

In the personal property category of Chouteau township the board increased the assessment of Fontaine Aviation by \$3875 and that of the Wash. Pipe Line Co. by \$11,760. It gave the American Telegraph and Telephone a \$15,750 reduction and cut the Marathon Pipe Line Co. valuation by \$3800.

For Venice township the review board listed reductions of \$1,388,400 and \$1,501,890 in personal property assessments of Dow Chemical Co., but at the same time ordered increases of identically the same amount in the company's real estate assessments. This effected a retransfer of the assessments which had been changed by the local assessor.

Increases were ordered on only three other items in Venice township, but reductions were ordered on 29 real estate items and 22 personal items. Virtually all of these were listed in favor of individual property owners.

St. Peter Guild Visits St. John

Thirty-six members of the Afternoon Women's Guild of St. Peter United Church of Christ with Rev. Robert Baumann attended a guest day at St. John United Church of Christ hosted by the Afternoon Guild on Thursday.

Following a noon luncheon, a program was presented by Donald Rikli, an attorney of Highland, on a lawyer's viewpoint of the "Trials of Jesus."

A brief business meeting was held by the visiting Guild members at which time they completed plans to attend a service at Christ Church Cathedral in St. Louis on April 4. They will also serve the Madison County Pastor's Circle on April 3.

MR. AND MRS. DUREE GENE GOSS, whose wedding took place March 2 in St. Louis. His parents are Mr. and Mrs. Duree J. Goss, 2238 East 25th street. The bride is the former Miss Kathryn Mae Machino, daughter of Mrs. Mary Rotes, Edwardsville, formerly of Granite City. The young couple will reside in Tennessee.

MR. AND MRS. ROBERT DAWES, whose wedding was Saturday evening at the Second Baptist Church. The bride is the former Miss Patricia Jones, daughter of Mr. and Mrs. Thomas E. Jones, 2440 Hemlock avenue. The bridegroom's parents are Alderman and Mrs. Emerald Dawes, 17 Terrace lane.

Double-Ring Ceremony For Dawes-Jones Wedding

The Second Baptist Church was the scene of the wedding Saturday evening of Miss Patricia Jones, daughter of Mr. and Mrs. Thomas E. Jones, 2440 Hemlock avenue, and Robert Dawes, son of Alderman and Mrs. Emerald Dawes, 17 Terrace lane.

Rev. Eugene Dutton performed the double-ring ceremony in candlelight before an altar decorated with bouquets of white gladioli, palms and greenery. Large white satin bows marked the family pews.

The guest book was attended by Miss Brenda Dawes, sister of the groom.

Mrs. Norman Grote, organist, provided the wedding selections for the soloist, Mrs. Leatha Marmion.

Mr. Jones escorted his daughter down the white carpeted aisle to the altar and gave her in marriage.

She selected for her wedding a floor length gown of sheer nylon styled along an A-line. The fitted bodice of Chantilly lace featured long tapered sleeves and a Sabrina neckline. Chantilly lace in the shape of a V-panel was repeated down the front of the A-line skirt. A wattleau train of organza and lace, attached at the shoulders, fell gently into a Chapel train. A crown of Aurora Borealis crystals secured a four-tiered ballerina length veil of imported silk illusion, and she carried a bridal bouquet of white carnations and lily of the valley.

The honor attendant, Miss Betty Daily, and the bridesmaid, Mrs. Thomas Jones, sister-in-law of the bride, wore identical ensembles. Their cut away coats in aqua linen were worn over sheath floor length gowns in similar color. Matching double rose headpieces secured short circular nose tip veils. Each carried a cascade bouquet of white carnations tinted aqua.

Cherie Cunningham was the flower girl, and her frock, floor length, was of aqua peau de soie worn under daisy lace. She carried a basket of flower petals.

Joseph Modrak served the guests as best man, and Thomas Jones, brother of the bride, was groomsmen. Ushers were Don Lee and Bill Stearns.

Mrs. Jones, mother of the bride, selected a pink satin and lace dress with matching accessories, while the groom's mother, Mrs. Dawes, chose an orange two-piece suit with matching accessories. Each wore a corsage of white carnations.

A reception followed the ceremony in the basement of the church.

The newly-wed couple took a wedding trip to the Ozarks and will reside at 3000 National avenue.

The former Miss Jones is a 1967 graduate of Granite City high school and is employed at Jack's Midtown Barber Shop.

MR. AND MRS. JOHN MAX HOELTMANN, who were married recently at the First Baptist Church in Madison. The bride, the former Trena Ann Medders, 1631 Fifth street, Madison. The groom is the son of Mr. Anna Hoeltmann, Collinsville, and the late John M. Hoeltmann.

AAUW Members Visit Health Spa

Dinner at the Clayton Spa and an escorted tour of the spa's facilities were enjoyed Friday evening by members of the Granite City Branch of the American Association of University Women. Twenty-one attended.

Following a dinner, consisting of specially prepared health foods, the group inspected the Sauna baths and exercise rooms at the health center, and heard described by staff members the uses and benefits of its extensive facilities.

Miss Marguerite Barker, branch president, conducted a brief business session, during which plans were finalized for the organization's "Spring Tea," an event held each year to aid the scholarship fund.

The affair will be hosted April 20 at St. Peter United Church of Christ, with Mrs. John Page Wham of Centralia as featured speaker. Her topic will be "Underwear and Outerwear Around the World."

Miss Phyllis Redd, general chairman for the tea, said several folk dances will be performed as part of the entertainment. Tickets are now available from AAUW members.

Moose Women Winter Meeting

Five area chapters of Women of the Moose combined yesterday for the annual "Mid-Winter Conference" at Jerseyville. More than 150 attended, including 28 members of the College of Regents.

A donation of \$850 was allocated to a new hospital for the elderly at Mosehahaven, Fla., with Granite City Chapter 247 contributing \$550 of the total amount.

College of Regents who were invested in the real estate ceremony were Mrs. Rose Halbert, Granite City; Mrs. Bertha Duthy, Wood River; Mrs. Mary Downs, Alton and Mrs. Edith Cheney, Jerseyville. Mrs. Iris Chastain of Granite City was investing officer.

Junior Girl Scout Troop 275 will be camping at the Necedah school with the leaders, Mrs. JoAnn Jarrett and Miss Linda Pollette.

The troop planned a camping trip to Camp Keck in Belleville March 22-24 and discussed Junior Fun Day and "bunny boxes" before celebrating with a troop birthday party.

Badges were awarded and the girls received yearly pins. Each patrol provided entertainment, and refreshments were served.

Attending were Cindy Allen, Sherry Cathey, Rhonda Clonko, Lynn Creek, Mary Earls, Beverly and Janice Edwards, Gina Forshee, Diane Gains, Mary Beth Hillmer, Diana Holmes, Melissa Jones, JoAnn Kanbach, Elaine Lackhart, Debbie Ladd, Terry Mangoff, Brenda Mueller, Dawn Oram, Kathy Paulett, Jennifer Sage, Kathy Simms, Veronica Suss, Robin Wagner, Diane and Sandra White, Sherie Worthen and Marjann Yerin.

Guests of the troop were Mrs. Darwin Mueller, Mrs. Eugene Forshee, Mrs. Stanley Edwards and Patti Jarrett.

MRS. DELALOYE IS CLUB HOSTESS
Mrs. Leona Delaloye entertained the Bunko-ettes in her home, 2633 Washington avenue, Thursday evening for the semi-monthly meeting. She used a St. Patrick theme in her table appointments and the refreshments.

Those winning prizes in the games were Mesdames Rose Orube, Juanita Blevins, Mae Ebling, Helen Lipchik and a Florida Batson.

Others attending were Mesdames Angie Buchler, Julia Portell, Mary Pierce, Helen Santagato; a guest, Rose Holtgrave, and a new member, Mrs. Ruth Ann Partney.

Mrs. Santagato invited the club to meet in her home, 2525 Edwards street, for the next meeting in two weeks.

WADES ANNOUNCE BIRTH
Mr. and Mrs. James Wade, 3001 Korva, are announcing the birth of their second son, John William, March 5 at the Jae-II Hospital in Seoul. They have a son, Adam Garrett Wade, two years old. Grandparents are Mr. and Mrs. E. J. Wade, 2519 Madison avenue, and Mr. and Mrs. Tex McClintock, Normandy, Mo.

MR. AND MRS. JOHN MAX HOELTMANN, who were married recently at the First Baptist Church in Madison. The bride, the former Trena Ann Medders, 1631 Fifth street, Madison. The groom is the son of Mr. Anna Hoeltmann, Collinsville, and the late John M. Hoeltmann.

Miss Diane Argent Becomes Bride of Michael Mathews

Miss Diane C. Argent, daughter of Mr. and Mrs. Anderson Argent, 3086 Ruth drive, became the bride of Michael Mathews, 2555 Pontoon road, Saturday evening at Concordia Lutheran Church, 23rd street and Grand avenue.

The 7:30 candlelight, double-ring ceremony was performed by Pastor Arvin Twietmeyer before an altar adorned with two altar vases of white flowers and two lighted candelabra.

Mr. Argent, who gave his daughter in marriage, escorted her down the white carpeted aisle.

She was attired in a floor length gown of white lace fashioned with an Empire waistline, traditional long sleeves ending at the wrists in bridal points, a scooped neckline and an A-line skirt. A detachable train of lace, attached at the shoulders with tiny bows, fell gently into a Cathedral train.

Peas of satin formed the headpiece which held in place a double tier, fingertip veil of bridal illusion. She carried a cascade bouquet of white carnations centered with a detachable white catalpa orchid corsage.

The bride was attended by Miss Geraldine Konkel as maid of honor and Miss Debbie Argent, sister of the bride, and Miss Cynthia Mathews, the groom's sister, as bridesmaids.

Their gowns were designed alike with an Empire waistline emphasized with a velvet ribbon ending in a bow in the back with streamers falling to the hemline. The groom attendant's dress was a darker shade of pink. They wore a bow in matching color on their hair to secure a circular nose tip veil.

Their flowers were arranged in the green as best man, with Gletus McDaniel, Phillip Mull, Craig Argent, brother of the bride, and Larry Rapp completing the corps of groomsmen and ushers.

Anita Wieseham, niece of the bride, was the flower girl and wore a full length dress identical to those of the bridesmaids. She carried a white basket filled with pink rose petals. Jay Wieseham, the bride's nephew, served as ring bearer.

Mr. and Mrs. Argent entertained wedding guests at a reception held in the parish hall immediately following the ceremony.

Both young people are 1967 graduates of Granite City high school. The former Miss Argent is employed at the U.S. Army Corps of Engineers in St. Louis and the groom's employment is with a business machine firm in St. Louis.

After a wedding trip to an undisclosed destination they will make their home at 2241 Washington avenue.

The bride's mother, Mrs. Argent, selected a two-piece dress in light green and used bronze brown accessories to complete her ensemble. She wore a white carnation corsage.

Mrs. Mathews, mother of the groom, chose an ensemble in beige with moccasin brown accessories complemented with a green orchid corsage.

Miss Susan Abbott and Miss Brenda McCollum presided over the guest book.

Fatima Circle Plans Events

Daughter of Isabella Fatima Circle 835 met Thursday evening at the Knights of Columbus Hall, with Mrs. Clara Schillinger, regent conducting the business meeting. She announced that the state convention will be held at the Stratford Hotel, Alton, on May 17 and 18.

The resignation of Mrs. Bonnie Boyer as custodian was accepted, and Mrs. Gale Gargac was appointed to replace her for the remainder of her term.

Mrs. Helen De Runtz, chairman of the social committee, announced her plans to honor the past regents of the circle on April 4, when the circle also will observe its 18th anniversary. Mrs. Ann Pare and her committee will complete the arrangements.

The members will attend corporate communion on Sunday, March 31, at 9:30 mass at St. Joseph's Catholic Church.

Mrs. Margaret Waller was honored on her birthday by the members.

A silent auction was held at the close of the meeting, followed by refreshments served by Mrs. Marge Greenwald and her committee using a St. Patrick's theme in decorations. Thirty-five members attended.

Nearly Extinct 60 Years Ago, Buffalo Now Making a Comeback

(The Camrose Canadian, Camrose, Alberta)

Romanticists of the prairies will be pleased to know that the plains buffalo has shown its adaptability in two recent programs of extension and conservation.

One herd of 25 animals was shipped from Elk Island Park a month ago to Ormstown, Quebec, while another herd was recently shipped to Glenora, where they will be propagated under care of the Blackfoot Indians.

The sale to a private breeder marked the first such sale since 1906, when the animals were nearly extinct.

Since then, however, the Quebec animals adapted quickly to

their new environment, and are reported in excellent condition. Similarly, on arrival at Glenora one young bull decided to test the ability of any stock to hold him, and he slammed head-on into a corral post.

When it held, he decided life in the area wasn't too bad at all, and immediately settled down with the rest of the herd to become acclimated.

In each case the concept is developing a herd large enough to provide a reasonable marketing program, an idea that will take from five to eight years to develop.

Romanticists and conservationists alike will be delighted to see the territory of the buffalo, once again, though probably never again will the world see giant herds roaming the plains.

What to Do When Over-Withheld

(Internal Revenue Service)

Q-I was greatly over-withheld last year on my income tax. What can I do to reduce my withholding?

A-If you are presently claiming all of your exemptions for withholding purposes, you may be able to claim additional withholding allowances based on the size of your itemized deductions.

This is explained in Schedule A (Form W-4) available at local IRS offices.

Q-If somebody has a job overseas, do they still have to pay U. S. income tax?

A-Income earned overseas is fully taxable for civilian or military employees of the U. S. government.

Those who work for a private concern overseas may be able to exclude all or part of their income from U. S. tax.

For details, send a postcard to your Internal Revenue District Director for a free copy of Publication No. 54, "Tax Guide for U. S. Citizens Abroad."

Q-Our daughter earned several hundred dollars last year babysitting. Does she report this income or do I, since she is my dependent?

A-If your daughter earned \$600 or more last year, she is required to file a tax return. You should not report her earnings on your return even though she is your dependent.

Q-Are Social Security benefits ever taxable?

A-No, they are not.

Q-Where can I buy a copy of "Your Federal Income Tax?"

A-Most local offices of IRS have copies or you can write the Superintendent of Documents U. S. Government Printing.

Approach to Physics Revamped

(American Institute of Physics)

Poor instruction in some secondary school physics and competition for physics and computer related scientific fields are causing a constantly increasing and alarming shortage of American physicists, a Rutgers University scientist contends.

Dr. Peter R. Weiss, professor and chairman of the Department of Physics at Rutgers College, hoping to change the trend, has instituted changes in both philosophy and practice in the physics curriculum at Rutgers.

"We rotate our faculty through the various courses so their outlook and presentations of course material are fresh," Dr. Weiss explained, "and we show our students that physics is a dynamic field in which ideas are proposed, conceived, studied, refuted, defended and sometimes discarded."

"Also, we are now putting more emphasis on undergraduate education. For a number of years, graduate education was stressed here and other American universities, while undergraduates were left partially unattended."

"Now that graduate education has been developed, we can once again focus more attention on the undergraduates."

Grant May Help Ease Shortage Helping to implement the changes in the program at Rutgers is a grant of \$2.7 million given to the Department of Physics over a year ago by the National Science Foundation as part of the federal agency's Science Development Program.

One million of the "Centers of Excellence" grant is being spent for faculty recruitment, fellowships, a \$1 million grant for the remaining \$1.7 million is devoted to equipment.

Dr. Weiss believes that by upgrading the undergraduate program his department will be able to interest and hold students in the physics curriculum. He thinks this is of utmost importance in the face of reports that there are as many as 10 openings in various branches of American physics for each qualified candidate.

Sound Heard 900 Miles Away Scientists at Columbia University's Lamont Geological Observatory reported yesterday that instruments north of New York City heard the sound of a Saturn rocket launching at Cape Kennedy more than 900 miles away. The air waves were "unexpectedly strong" and "quite sensational."

Senior Research Associate Dr. William Donn said that the U.S. and Soviet nuclear explosions in the atmosphere are the only man-made events which have produced stronger readings on the Lamont instruments.

Only two natural events create stronger air waves: the eruption of the Krakatoa volcano in the East Indies in 1883 and the eruption of the great St. Pierre and Miquelon in 1906.

The sound of the Saturn lift-off at 7 a.m. passed over New York City an hour on a quarter of its way to the Observatory in Palisades, N.Y.

It was picked up by sensitive microbarographs, which measure changes in air pressure caused by the passage of sound waves through the atmosphere.

The instruments record the waves in pen and ink on paper on a rotating drum.

Process of Renewal Essential to Any City; Federal Funds Available Here

As noted in a study completed by a Chamber of Commerce committee last week, federal urban renewal funds are available to Granite City as a result of credits based on a variety of recent and scheduled expenditures for public improvements by this community. There is a time limit in which to qualify for grants related to the credits.

Even though Granite City is eligible for the kind of federal money that has been distributed to countless other cities, there would be no reason to spend it if no local problems existed. But there are serious problems in regard to parking, space for commercial development and neighborhood deterioration.

Some cash basic taxpayers elect to report the interest earned each year on their bonds rather than all at once when they receive the bonds. Either way of reporting this interest income is acceptable.

Q-My wife and I want to use an expense account last year. How do we figure our tax deduction?

A-If the event was sponsored by a qualified charitable organization, then you may be allowed to deduct a portion of the ticket price as a charitable contribution when you itemize.

For example, if the tickets to the ball cost you a total of \$50 and you received a dinner and entertainment that would normally cost \$15, then your charitable contribution would be \$35.

Q-I will have a new address next month. Should I dress next month?

A-No, mail your return to the IRS office at the new address.

A-No, mail your return to the IRS office at the new address. You should not report her earnings on your return even though she is your dependent.

Public Response to Ice Rink Making It a Financial Success

When the Granite City park district ice skating rink initially was proposed, there were some who agreed that it would be an excellent addition to local facilities but also were uncertain whether there would be enough interest and attendance to make it economically feasible. Such uncertainty no longer exists.

A rousing box office success from the first day, the Wilson Park rink and its concessions grossed \$43,073 and netted \$7782 from Oct. 27 through Jan. 31, a report to the park board disclosed. Of these figures, \$33,236 gross and \$5733 net represented skating fees.

The rink has given the Quad-Cities a recreational attraction unmatched in many areas, and the large and attractive structure housing it also will get extensive use during warm weather. Happily, the whole project is profitable rather than a financial burden — providing a firm basis for even more imaginative planning in future years.

Emergency 'SOS' Drive to Aid Servicemen

Prior to Christmas, Quad-Cityans showed their desire to aid U. S. armed forces in Vietnam by providing hundreds of Red Cross "ditty bags."

Now, in March, Red Cross Month, they are being called on to give \$5 or more, less, if they cannot afford a \$5 contribution—to provide further help to Quad-City and American soldiers, marines, airmen and sailors in Vietnam.

Simultaneously with the escalation of the war, the size of U. S. armed forces has expanded. Necessary services to them and their relatives dwarf those of all postwar years and are approaching the world war II era in cost.

The unpredictable nature of the conflict and the changes that have taken place in recent months make it impossible to anticipate the financial requirements in advance. As a result, a limited emergency SOS campaign (Support Our Servicemen) is being conducted with United Fund acquiescence.

With direct services to fighting men and their families having reached \$2016 a year from the Tri-City Red Cross chapter, not counting its own Quad-City area military service, from \$400 to \$1000 a month this winter, the chapter has called on the public to help us. U. S. servicemen are being sent to the Red Cross at 1411 Twenty-first street, Granite City.

Venice School Board Vacancy Filled

Appointment of Richard H. Bailey to the Venice board of education is an indication of the extent to which a thinking has changed in the Venice school district.

His duties as a board member will be the same as the other six members—meeting the educational needs of all children. But the fact that he is a Negro is significant because it is a first in the district, which has hundreds of Negro families.

His experience in government service and his family of five school-age youngsters should qualify him to set school policies with full understanding of both administrative and parental viewpoints.

Completion of the rehabilitation, which will convert the four-story building into four apartments, is expected soon.

As with the other buildings, steps which formerly had to be taken with full walls and steps, and trees and bushes acting as separators from the street.

Instead of each brownstone having its own back yard, fences and walls have been removed and the entire rear area will be landscaped as a community park area and playground.

The last tenant moved out of the building during the fall, and work of gutting the structure started shortly afterward. Completion of the rehabilitation, which will convert the four-story building into four apartments, is expected soon.

Investors-Look Before Leaping

By THOMAS E. O'HARA
Chairman, National Association of Investment Clubs

Q-I recently bought 20 shares of LTV Investment Co. I understand this is a new firm and would appreciate anything you can tell me about it.

A-Your inquiry disturbs me to get letters like this—and I get a fair number of them. They're clear cases of looking after you leap.

In most cases we have a wealth of information on any firm you want to know about. The time to check up on them is before we buy.

But in spite of these admonitions to investigate before we invest, a great many people just don't bother. I can't imagine what my opinion would be worth to you at this time.

This particular company has issued a prospectus that describes its history and outlines its operations quite completely. You can still obtain a copy if the salesman didn't give you a copy. Or, if that is too much trouble, it would have been given to you by the company.

Unless an investment prospectus is completely honest, you can find out quite a bit about it on your own by going to the library and checking its record in Arthur Wiesenberger's book on mutual investment funds, or looking it up in Forbes Magazine's annual report on mutual funds.

Q-Can you tell me about making a start at investing in the stock market? Would you have any comment on Texaco or Ling-Tec-Voight?

A-From just about every standpoint you are talking about two entirely different types of investments.

Which you should buy depends upon what you are aiming at investing. Texaco is a company with a great amount of assets in the ground. One of the faster-growing oil companies, it is worldwide in operations with estimated earnings for the past year of about \$5.50 per share.

Texaco is now selling at 15 times earnings, which is close to its low average price-earnings ratio for the last five years. Dividend yield is about 3 1/2%.

Ling-Tec-Voight is good, but for entirely different reasons.

Veterans Finding Jobs Faster

(Department of Labor)

Military veterans returning to civilian life found jobs faster in 1967 than during any previous year since 1955.

During 1967, ex-servicemen's longest period of unemployment averaged 5.5 weeks, compared with 6.1 weeks during the first half of 1967, 7.1 weeks in 1965 and 7.9 weeks in 1964.

The 1967 record is the lowest since the present unemployment insurance program for veterans began in 1958.

During the final half of 1967, the longest spell of joblessness for discharged veterans fell to an average of 5.1 weeks, compared with 6.1 weeks during the first half of the year.

President Johnson's program launched last August to provide training for military veterans with maximum assistance in finding jobs has been a major factor in the improvement.

Secretary of Labor Willard Wirtz believes. More than 300,000 returning veterans have been offered assistance in finding jobs by the staffs of the nation's 2000 public employment service offices since August.

The program features direct personal contact with the returning veterans by representatives of state employment service agencies affiliated with the U. S. Employment Service.

About 850,000 GIs are expected to enter civilian life this year. In 1967, about three-quarters of a million were separated from military service.

Figures reported by State employment security agencies show that servicemen leaving the military filed 222,300 claims for unemployment insurance last year.

Of these, just over half—122,800—actually drew at least one check, with the rest finding work or withdrawing from the labor force.

Only about 5% of all those filing claims found it necessary to draw all funds to which they were entitled before finding a job.

During 1967, ex-servicemen drew \$46.3 million in benefits—the second lowest amount paid since the program began in 1958. A low of \$39.5 million was registered in 1966.

Individual servicemen drew an average of 41.96 a week on their claims. The total amount paid to each veteran averaged \$373.

The FORM

Arrested for blocking alleys at apartments to the Editor:

In regard to a letter in The Forum Feb. 26, "Lanes at Kirkpatrick Being Blocked by Cars," the disturbance happened in the alley between 4800 and 4300.

The red car with the loud horn I heard it was an air horn because I never heard a regular horn make such a noise—about 20 feet from my door.

Of course, the driver of this car had no way of knowing that there are babies living in these apartments. As near as I can count, there are about seven babies under two years of age in these two buildings. Two of these seven were just past six weeks old when this happened.

Neither did he mention the fact that the man who jerked his car open had first asked him to stop blocking his horn because he had a sick baby.

Another thing that strikes me as odd is why—(after he said he was asked and even threatened with being beaten—he waited until he had a clear alley and had his car moving and then blew that awful horn until he was all the way out in the street.

—action like this is the mark of a religious man. There were three cars blocking our alley that night. I can't

say about the two down at the other end; it was too dark for me to see. But the owner of the green station wagon doesn't even live in Kirkpatrick.

Neither does the letter writer. I notice, if I would have known then that he didn't live here, I would have had him arrested for peace disturbance.

I have gotten a ticket for leaving my car in the alley too long after dark.

It is a neighbor got a ticket for having his truck in the alley when he was moving from one apartment to another.

I know it is true that old-time law officers walked a beat, and did have beat cars in winter and air-conditioned cars in the summer.

But it is also true that old-time factory workers didn't have coffee breaks and a good many of the other working conditions they enjoy today.

Is everyone except a policeman supposed to have better working conditions? I would like to think what would happen if our police went on strike.

There are no policemen or babies in my family, but seems to me that if a story is going to be told by "a good Christian man" it should be told in full and told correctly.

CANDIDATE OPPOSES JOHNSTON AS NOMINEE

To the Editor: I assume that you may be interested in the positions of candidates for delegate to the national conventions in view of the fact that one of the conventions will be selecting the new president of the United States.

Here is my position as a Democratic candidate. It seems to be acknowledged by everyone that the nation is solved by inaction or by further pursuit of the administration's present policies.

Poverty exists in the midst of plenty. Unemployment exists when poverty and unemployment visited the community—spreading fear and despair which cannot be the poverty of 1968 is a more virulent disease. It hits large segments of the Negro population first and hardest, aggravating racial tension and contributing to civil unrest.

Poverty is dividing the nation just when we are made in need of united action to combat it and the conditions which contribute to it.

To make matters worse, we are in an unpopular war, involving great losses in American lives at an expense which

staggers the mind of this civilian taxpayer.

Occasionally our people indignantly—and with justification—remove from public office corrupt or wasteful public officials. However, our government has tolerated in South Vietnam a corrupt and ineffectual government and military establishment while our own soldiers carry the burden of the battle to bring liberty to the people of South Vietnam.

Whether one agrees or disagrees with the administration's policy, it is presumable fighting to show show little interest in helping themselves or cooperating with it.

Therefore, we need a new administration in Washington with a new policy designed to bring this disastrous war to a conclusion.

Rather than being concerned about "loss of face," the people and I take the Democratic party and take steps this election year to re-establish the party which our country is founded, by presenting a "new face" as the Democratic nominee for president.

DISTINGUISHED FLYING CROSS TO STEPHENS

Specialist-four Harry C. Stephens, son of Mr. and Mrs. Charles C. Stephens, 1644 Third street, Madison, has been awarded the Distinguished Flying Cross, his family has been notified. He was designated for the award last August.

Mr. Stephens, a member of the First Cavalry Division (Airmobile), assigned to Company D of the 22nd Aviation Battalion (Assault Helicopter), he was cited for heroism while participating in an aerial flight Nov. 13 in Vietnam. He was serving as crew chief of an armed helicopter during a rescue mission near Que Son.

While attempting to extract several injured crew members from a downed helicopter, Specialist Stephens' aircraft came under heavy enemy ground fire. It was related by Col. George W. Putnam Jr., chief of staff of the First Division.

"Continually exposing himself to the hostile fire, he placed suppressive fire on enemy positions as his aircraft made repeated attempts to land. His accurate fire destroyed several hostile bunkers and his helicopter received numerous hits and was forced to land."

Specialist Stephens remained in the aircraft upon impact to provide covering fire for his comrades as they left the helicopter to establish a defensive perimeter.

"His display of personal bravery and devotion to duty in keeping with the highest traditions of the military service and reflects great credit upon himself, his unit and the U. S. Army."

He was here for a month at Christmas. He has extended his military service for six months and is now stationed at Hue, Vietnam.

Mayor Urges Retailers to Aid in Urban Renewal Project

Mayor Partney, noting last week's support of the city's proposed Urban Renewal program for the downtown area by the Tri-Cities Chamber of Commerce board of directors, today urged the retailers of the business district to join in providing needed leadership.

In his monthly report to Granite Cityans, the mayor said enthusiasm will be a key ingredient to promote the future development of the central business district.

"Our February report focused on a certain amount of factors on Urban Renewal. I was most happy to see our Chamber of Commerce pass a resolution asking our city to apply for an Urban Renewal project grant. This is an effort to develop a better community through planned redevelopment of deteriorated and deteriorating areas by means of a partnership among local governments, private enterprise, citizens, and the federal government."

The Urban Renewal Agency will implement a planned approach for community improvement through clearance of slums and substandard housing and rehabilitation of structures to bring them up to standard.

"Attitude toward our central business district area is the key to the future hopes of Granite City for economic growth because it reflects intentions and future efforts for growth and development."

"Our central business district needs a lot of improvement. Lack of enthusiasm may be detrimental to the future growth of this district. Considering the fact that our downtown merchants have been in business the longest, it may be deduced that they have not been very active. When asked about the

Smith Dispute At Standstill

The strike of 1200 members of the Granite City Trust & Savings Bank is an award-winning Aztec gold coin display. Three groups of coins are featured. Chouteau Twp. Highway Budget Up \$333,000

A boost of \$33,100 in the Chouteau township road and bridge fund budget for the 1968-69 year results in a new budget and appropriation of \$143,460 for all township purposes, according to the new appropriation measure posted for public inspection by town officials.

The new budget reflects increases over last year of \$33,100 in the town fund, \$300 in the general assistance fund, \$11,000 in the regular road and bridge fund, \$20,500 in the permanent road fund and \$1000 in the equipment and building account of the highway fund.

Public hearing on the tentative budget and appropriation is scheduled for 8 p.m. March 26 in the office of Town Clerk

George Warnecke, 909 East Chain of Rocks road, Mitchell.

The new 1968-69 appropriation figures of the Chouteau township budget include the town fund, \$27,400, compared to \$24,270 last year; general assistance fund, \$22,110 compared to \$21,810 a year ago; regular road and bridge, \$42,450 compared to \$30,850; permanent road fund, \$41,500, compared to \$21,000; and the equipment and building fund, \$10,000, compared to \$20,000.

Rises \$36,330

These figures establish a new combined budget of \$143,460 for all purposes, compared to \$106,890 for the 1967-68 year.

The town fund account of \$27,400 in the new bill includes salaries of \$19,400 for town officers, up \$1000 from last year's \$18,300 for this purpose. Cost of elections is budgeted at \$900 for the new year, up \$250 from \$750 last year. The item for town officers expense is set at \$1900, up \$500 from last year, while \$550 for the town collector's expense is a new item not included a year ago.

Cost of other services in the town fund, which include auditing and legal services, is fixed at \$3200, down \$200 from a year ago. A \$500 contingent fund is unchanged.

In the general assistance fund the slight overall increase of \$300 is reflected entirely in the administration account, fixed in the new budget at \$4160. This is an increase of \$300 over last year's \$3860. All other items in the new budget that are unchanged from last year's appropriation figures include home relief, \$11,600; hospitalization, \$5600; transient cases,

\$150; burials, \$300; and contingent, \$300.

The total appropriation of \$42,450 in the regular road and bridge fund includes increases for all items except the contingency fund which is unchanged at \$500.

Increase R-B Items

The road and bridge fund items include \$1250 for construction of roads, up \$200; \$1100 for construction of bridges, up \$100; \$10,500 for road maintenance, up \$2500; \$1800 for bridge maintenance, up \$500; \$13,000 for oiling, up \$2500; \$4000 for new machinery, no appropriation last year; \$3500 for repairs of machinery, up \$2000; \$500 for weed control, up \$150, and \$6500 for administration, up \$500.

Two major items are added to the permanent road fund this year to account for the bulk of the increase in that fund. These include \$13,500 for construction of hard roads and \$9700 for maintenance of hard roads. In addition to these items the budget includes \$18,000 for improvement and maintenance of earth roads, down \$3000 from the \$21,000 budget for the same purpose last year. The new administration budget figure is \$300, up \$100 from last year.

The equipment and building account of the road and bridge fund includes \$6000 for acquisition of machinery and \$4000 for maintenance of machinery. Last year the appropriation for new machinery was \$5000.

Feed Grain, Wheat
Sign-Ups End Friday

Sign-up for the 1968 feed grain and wheat programs will end Friday, Lee Rogers, office manager of the Madison County ASCS, announced today.

"We are still urging farmers to review their operations this year and see how our programs might fit into their plans," he said. He reminded farmers to consider the low price of corn and wheat, the heavy yields of last year and the possibility of a poor crop as last fall.

"Our programs can take some of the gamble out of farming and insure diversification and income payment plus eligibility for price support loans. These are the best programs we've had to offer," Rogers said, "and there are four days left to sign up. We are also offering measurement service for a small cost which will insure exact compliance and full payment."

Testing March 16 for '68 Peace Corps Posts

Quad-City area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. Saturday, March 16, at Room 1719, Federal Building, 1530 Market street, St. Louis.

The Peace Corps uses the placement test to determine how an applicant can best be utilized overseas.

The test measures general aptitude and the ability to learn a language, not education or achievement. It requires no preparation and is non-competitive; an applicant can neither pass nor fail.

Persons interested in serving with the Peace Corps must fill out an application, if they have not already done so, and present it to the center before the test. Application forms are available from post offices or from the Peace Corps in Washington, D. C. 20535.

Fifteen thousand volunteers are currently serving in Asia, Africa, Latin America and the Pacific Islands, working with the people of those nations in self-help projects ranging from food production to health to education.

More volunteers are needed for programs which will begin this spring and summer.

Census Bureau Plans Household Data Study

Questions aimed at developing up to date information about the number and characteristics of the Nation's households and families will be asked in this area as part of the Census Bureau's monthly current population survey the week of March 18, Director Theodore F. Olson of the bureau's regional office in Chicago announced today.

The March survey contains inquiries on family composition, migration, employment and unemployment, and sources of family income including earnings, social security payments, pensions, dividends, etc. Basic statistics on these subjects were gathered in the 1960 Census of Population and they are updated each year through these sample surveys.

The monthly survey is taken in a scientifically selected cross-section of households in several hundred areas throughout the United States, according to Director Olson.

The identity of those questioned is kept completely confidential and the facts collected are used only for statistical purposes.

Selective Service Office Answers Frequent Questions

The Madison County selective service office, in cooperation with the Illinois headquarters, is interested in keeping the public informed of the changes in the programs of the selective service system.

Starting today, the county office at 132 North Kansas street, Edwardsville, is supplying the Press-Record with answers to questions frequently asked and will provide answers to three or four questions each week for the next several weeks.

The first of the series follows:
Q: I began graduate study in law school in September 1967 and am making satisfactory progress. Will I be entitled to continued deferment in I-S for my second year of law next September?

A: Under the advice of the National Security Council on February 16, 1968, deferment for graduate study was limited to registrants in medical dentistry or an allied medical specialty, or those who had entered the second or subsequent year of graduate study last fall.

Q: Under what authority does the National Security Council make recommendations on graduate and occupational deferments? Who are members of the Council?

A: Congress, by law, has directed the National Security Council to advise the Director of Selective Service periodically concerning deferment of needed professional and scientific personnel and those in critical skills and other essential occupations. Members of the Council are, the President, Vice-President, Secretary of State, Secretary of Defense, and Director of the Office of Emergency Planning.

Q: Now that the National Security Council has allied recommended that the lists of essential activities and critical occupations be suspended, is there a change in the authority for granting occupational deferments?

A: No. Local draft boards have the continuing responsibility.

Geometry Workshop For Teachers Planned

A state-sponsored workshop, Geometry for Elementary Teachers, will be held for Madison county teachers from 7 to 9 p.m. March 25 at Roxana junior-senior high school.

The workshop is a part of the Illinois plan for the improvement of instruction in mathematics and is sponsored under Title III of the National Defense Act, utilizing federal funds. The workshop will meet for a two-hour session each week for six weeks.

No college credit will be given to participants, though boards of education are encouraged to allow professional growth credit, according to Wilbur Trimpe, county superintendent. A certificate from Ray Page, state superintendent of public instruction, will be presented to each participant who attends regularly.

**"Once you live with Electric Heat
you wouldn't settle for any other kind,"**

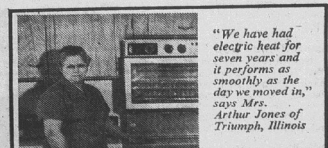

SAY MR. & MRS. JOHN BEHRENS OF ROYAL, ILLINOIS

"We're sold on all the built-in features we get with electric heat. We have radiant ceiling cable and it does an outstanding job of providing heat throughout the 1,600 square feet of our ranch home."

We also like the advantage of setting the temperature in each room according to our needs. And the satisfaction of owning a cleaner, quieter and

more carefree heating system makes electric heat well worth the cost we pay for it each year. "We'd recommend anyone moving up to electric heat."

And now that electric heat rates are down, moving up comes even easier. If you're planning to build soon, call your Illinois Power office and find out how conveniently electric heat fits into your plans.

"We have had electric heat for seven years and it performs as smoothly as the day we moved in," says Mr. and Mrs. Arthur Jones of Triumph, Illinois

"The comfort of electric heat beats anything. We think it's the most satisfying heating system there is," say Mr. and Mrs. Virgil Valerius of Belleville, Illinois

Soph Relay Team Scores For Warriors

The Granite City high school track team scored one point Friday evening at the fourth weekly St. Louis Army indoor track meet, won each time by East St. Louis Lincoln. It was the third straight meet in which the Warriors have been able to score, and again it was the sophomore mile relay team that came through.

The Warriors were one of 33 teams in the meet, last to be held there this season. Coach Jim Morrison estimated that 900 boys participated.

"In all the other meets that we have run so far this year there have been about 35 to 45 teams. This time there were 68 heats for running events."

"Our team has been able to tie or break every record for an indoor running meet this year. We will take a few days off and then begin getting ready for the outdoor season."

Warrior sophomores finished fifth with a time of 3:21, bettered their performance of a week ago by two full seconds. On the squad were Mike Allen, Jim McDuffey, Ken Elliott and Steve Becker.

Other records that were broken or tied in 1968 were by Mike Kurris, running the mile in 4:49; Jim McDuffey and Richard Hall, 2:14.7 and 2:12.9 in the half-mile relay; Jim Jones, tie; Dave Mullenix, tie in high hurdles; Mike Allen, record of 7.8 seconds for 55-yard low hurdles; and Jim and John Purney, new record in the sophomore relay.

Nebraska Nine to Be Depending On Rains, Perrillo, Mizelski

Coach Joe Pellsek's Peru State College baseball team has shifted from cramped indoor quarters to outdoor fields and back again according to the caprices of the weatherman. Pellsek, running the team in 4-4-9; Jim McDuffey and Richard Hall, 2:14.7 and 2:12.9 in the half-mile relay; Jim Jones, tie; Dave Mullenix, tie in high hurdles; Mike Allen, record of 7.8 seconds for 55-yard low hurdles; and Jim and John Purney, new record in the sophomore relay.

This year's pitching lineup at the Peru, Neb., school will be minus Jack Tegghutter, the 20-year-old left-hander who paced the mound corps for two years, and LaVerne Jensen, Nebraska City, a pair of right-handers who did not return to school this year.

Returning monogram winners are Jim Rains, Granite City, and Dick Jensen, Nebraska City. Jensen won two and lost one last year while Rains was tagged with a 1-5 record.

Peru's infield, half gone by graduation, will be anchored by returning lettersmen at two positions. Stan Zbylut, Omaha, will be back at second base and Jim Walke, Beatrice, at third. Zbylut is 242 and Walke 275 last year. Letterman Bill Everhart, Bedford, Iowa, who saw mound duty last year, is back for the 1968 campaign.

In the outfield, one regular and a 1967 spot player return. John Creamer, two-year regular from Worcester, Mass., should be a fixture in center field, and fleet Nick Pettillo, Granite City, could be used in right.

Behind the plate, regular Dennis Hammer, Red Oak, Ia., returns after hitting 308 last year as a freshman. Reserve Charles "Chuck" Mizelski, Granite City, a 1967 reserve catcher, may be shifted to the mound corps.

SOCIETY Opti-Mrs. Club Installs New Officers at Dinner

Sixty-eight members and guests attended the Monday Opti-Mrs. annual installation dinner party Saturday evening at the Roundtable restaurant, Collinsville. A cocktail hour was held at 6:30 p.m., followed with a smorgasbord.

A heart-shaped arrangement of pink ribbons decorated with violets centered the official table and individual favors placed for each person were tiny gold keyrings. Raymond Henley gave the invocation, and Mrs. Merle Jennings, the retiring president, welcomed the guests.

Gene H. Sternberg, Optimist International president - elect and a member of the Granite City Optimist Club, conducted the installation.

New officers who will head the women's service group in 1968 are: president, Mrs. David John, vice-president; Mrs. Carol Ruff, secretary; Mrs. Leo Roman, treasurer; and board members, Mrs. Jennings, Mrs. B. C. O'Neill and Mrs. David Parrish.

Both the newly-installed president and the retiring executive committee members were present.

Granite City placed in seven of the 11 weight divisions. First place winners were Don Heath (62), John Niebur (68), Kevin Niebur (85) and Rich Wilson (heavyweight).

Second place winners were Don Heath (62), Lynn Fuchs (95), and Don Corbett (115). Third was Woody Halbrook (60), who beat Dave Lindsay of Granite City in the third-place bout.

Four Granite City girls qualified Saturday in YMCA District Four final in 1968 to compete March 30 in Illinois YMCA championships to be held at Monticello College, Godfrey.

The winning quartet included Ann Bickhaus, who set a new pool record and captured the 100-yard butterfly with a time of 1:05, took first in a medley relay event which also had the existing district record, and placed second in the 100-yard freestyle.

Mary Clair Beatty and Karen Bickhaus were third in the 100-yard medley relay, also setting a new record. Karen also was first in the 25-yard breaststroke event in a new record of 18.5 seconds, and was second in the 100-yard individual medley.

Judy Reisinger, taking third in the 25-yard breaststroke, met the qualifying time with a fifth-place finish in the 25-yard butterfly. Kathleen Baggot and Judy Reisinger were third in a medley relay event.

In AAU senior championships held during the weekend at the University City natatorium, Bill Beatty of Granite City was second in the 100-yard freestyle, missing first place by one-tenth of a second. He was fifth in 200-yard freestyle and fifth in 400-yard freestyle.

Also competing against some of the St. Louis area top high-school swimmers was Ann Bickhaus, second in 100-yard butterfly and fourth in individual medley. Beatty and other local youths will compete this Saturday at the YMCA District for boys finals at Decatur.

Secretaries to Observe Week

The Tri-Cities Chapter of the National Secretaries Association (NSA) met Thursday evening at the Rose Bowl and heard Miss Mary Jane Porter of Springfield, vice-president of the Illinois Division of NSA, discuss plans for the annual state conference, May 17, 18 and 19, at Springfield.

Both the newly-installed president and the retiring executive committee members were present.

Tour, Sewing Planned by Club

Nancy Hamilton, president of the 58's 4-H club, opened the club's monthly meeting Thursday evening at St. John United Church of Christ.

Mrs. Hamilton and the group in the pledge of allegiance and Janice Mueller led the 4-H pledge. Roll call was answered in the pledge of allegiance.

Mrs. Harriet Bunselmeyer and Mrs. Eva Mueller read the minutes of the last meeting, March 14, a food project class; March 21, knitting class; and March 28, sewing project class.

A demonstration was given by Mary Jo Lux on "How to dress in a professional manner" and the club's monthly meeting was held by the club. On April 20 the members will attend a "share the fun program" to be held at Menden School, Troy, at 7:30 p.m.

A recreation period was led by Susan Mobley and Peggy Smolich, followed by refreshments and a social hour.

The next meeting will be held April 4 at 7:30 p.m. at the home of Mrs. B. C. O'Neill. The meeting will be held by Mrs. B. C. O'Neill.

Advance Night For OES 650

Granite City Chapter 650, Order of the Eastern Star, held "Advance Night" at the Masonic Temple Friday evening, with advancing officers from Granite Chapter and associate matrons and patrons from other chapters filling the stations.

Guest of honor was Dorothy Fitzpatrick, grand lecturer of Chapter 650 and a member of the membership promotion committee.

Others escorted included a past grand officer, six grand lecturers, 223 members of the Grand Chapter Committee, six worthy matrons and five worthy patrons, two past patrons and ten past worthy matrons; five associate matrons and nine associate patrons and ten conductresses and ten associate conductresses.

Guest officers, their chapters and stations, included: Cora Hettich, worthy patron, John DeHart, worthy patron, John Bilbey, associate matron and Earl French, associate patron, all from Chapter 650; Marilyn Lamb, secretary, Mascoutah; Nancy Noble, treasurer, Grafton; Marilyn Timmons, conductress, Granite Chapter; Thelma Jervis, associate conductress, Lebanon; Joyce Bauers, chaplain, Rob Morris; Verna Paul, marshal, Collinsville; Delphine Stone, organist, Edinburg; Betty Burt, Adah, Waltons; Gertrude Uglow, Ruth, New Hope; Berna DeVous, Esther, Wood River; Doris Wade, Martha, Jerseyville; Mary Sayers, Electa, Alton; Merle Duncan, Warden, Monroe; Delbert Noble, sentinel, Grafton; and Raleigh Paul, color bearer, Collinsville.

Mary Ellen Lewis presented a bouquet from the chapter and the worthy matron and worthy patron also were presented by Earl French and Mary Bilbey.

Mrs. Kaseberg Will Head Club

Mrs. Howard Kaseberg was elected president of the Junior Bay View Reading club Thursday evening for the 1968-69 year. A monthly meeting was held in the home of Mrs. William Ogden, and others elected were Mrs. David Thomas, vice-president, and Mrs. Douglas Little, secretary-treasurer.

An installation party is planned April 18 in lieu of the regular meeting at the Galley Room of Trader Vic's.

Mrs. Charles Hunsinger gave a review of the book, "Christy," written by Katherine Marshall.

Nine members announced plans, including those named and Mesdames Art Koerper, Charles Lebow, William Liemow, Arthur Slay and Fred Von Gruenigen.

District Cadette Birthday Party

The Lincoln Place Community Center was the scene Saturday evening of the third anniversary District Four Cadette Girl Scout birthday party, with 157 girls attending.

A flag ceremony was conducted by Troop 1150, led by Mrs. Mabel Dandridge.

Dances were presented under the direction of Mrs. Alyce Merz. Featured were modern jazz, toe, tap and ballet, plus a humorous number.

Dancing was later enjoyed by the girls, with music provided by the "Psychedelic Wallflowers" combo from the National School of Music.

Troop 231, led by Mrs. Mary Lockhart, served as hostesses. Decorations were provided by Troop 242, Mrs. Opal Davis, and napkins and cutlery by Troop 114, Mrs. Mae Hendrickson, and Troop 1174, Mrs. Pat Eaton, leader.

Cupcakes were provided by Troop 1178, Mrs. Peg Mangano, Troop 193, Mrs. Margaret Dunlop, Troop 25, Mrs. Doris C. Van Dine, Troop 19, Mrs. Joan Oram and Miss Mary Jane Zimmer, leaders.

A time was donated by each Cadette to the Juliette Low Friendship Fund, which is used for Girl Scouting international events.

Tax Ruling Aids Ill. in Competing For New Industry

Proposed elimination of the tax exemption on municipal industrial revenue bonds will at least temporarily restore Illinois to equal footing with other states in competing for new plants, the Press-Record learned Friday.

Thirty-three states have allowed such bonds, which absorbed \$1 billion of the money market in 1967, but an Illinois enabling act had not yet been tested in court.

The U. S. Treasury Department said last week it will seek a regulation banning untaxed bonds issued after March 15. While the regulation is pending, the Internal Revenue Service will cease ruling on the tax status of individual issues.

Madison, Port Outlook
No direct effect is likely on the Stephen Maers Industrial Park in Madison, Mayor Maers said, since the city has been using reserve bridge funds to erect plant facilities for at least 10 years.

However, the bond would eliminate city industrial bonds as a future option after the \$2½ million reserve is fully committed, he noted.

Carl A. Ranft, Tri-City Region director, said the ruling apparently will not affect the district's ability to issue bonds for warehousing and other public facilities, but that it would preclude the possibility of branching out into industrial construction.

Plant development is now expected to be financed through banks and through the issuance of corporate bonds.

The practice of municipalities issuing bonds to finance building of plants for private industry has aroused criticism from both the government and financiers. The bonds are insured by federal agencies in Illinois and Missouri sections of the metropolitan area. Judges included Gene H. Stenberg of Granite City.

Smith Seeks Re-Election

It is Ralph T. Smith of Alton, speaker of the House, who is seeking re-election on the GOP ticket in the 55th district.

Melvin Price, incumbent Democratic congressman of East St. Louis, is the only candidate to file for that office, although John S. Guthrie, an O'Fallon contractor, has announced his intention to seek the post. No Republican candidate for Congress had filed to date.

The secretary of state's office reported today the filing of petitions for education as alternate delegate to the national nominating convention on the Democratic ticket by Elmo J. Bush of East St. Louis. Only one other Democratic candidate already have filed on the Democratic ticket, only one Republican candidate has filed this far.

Additional filings also are expected in Springfield today where district candidates are required to file for that office, the secretary of state's office. While six candidates for state representative of the 55th district already have filed on the Democratic ticket, only one Republican candidate has filed this far.

Dr. John E. Lee, mayor of Venice and a leader of the powerful Venice-area political organization, is seeking election as delegate in a three-way lineup that will result in a contest between Dr. Lee and Dick H. Mudge Jr. of Edwardsville.

Third candidate in the race is Monroe L. Fling of East St. Louis. Dr. Lee and Fling have been endorsed by the St. Clair county central committee as delegate candidates of the 54th Congressional District which includes all of St. Clair county and part of Madison county.

The Madison county Democratic Central Committee has made no endorsements in the delegate race.

Additional filings also are expected in Springfield today where district candidates are required to file for that office, the secretary of state's office.
